Managed by:

An Equine Production (817) 222-6402 / (817) 834-3152 Fax aphaevents@apha.com

Required Health Documents

To comply with state animal health regulations and to ensure the health of your horse, the following requirements will be strictly enforced for all horses at the APHA Youth World Show.

- Check-in will be conducted from June 21 through July 5 in the Stall Office or Horse Show Office. All horses must have their health certificates and Coggins papers checked. Electronic copies are accepted.
- For the Youth World Show and Open/Amateur World Show Cutting, all horses must have a:
 - 1. Negative Coggins (Equine Infectious Anemia) dated no earlier than July 3, 2019.
 - **2. Health Certificate** issued no earlier than June 4, 2020, by a licensed veterinarian from the state of origin.
- These documents will be checked upon arrival at the show office or stall office.

Make sure the veterinarian uses registered names on the health and Coggins certificates rather than "barn names." If current Coggins, health papers and a copy of the Certificate of Registration are not available, the horse will not be allowed to compete and entry fees will be forfeited. All horses are subject to inspection by the Show Veterinarian or State Veterinarian at any time or if suspected of harboring a communicable disease.

The American Paint Horse Association recommends that horses being brought to the World Show be vaccinated for West Nile Virus. Additionally, owners of horses should ask their veterinarians about a booster shot for West Nile Virus.

It is important to remember that vaccines that protect your horse against Western, Eastern and Venezuelan equine encephalitis do not protect against encephalitis caused by West Nile Virus. If you vaccinate against Western, Eastern and/or Venezuelan encephalitis, you should vaccinate against West Nile Virus, as well. Consult your veterinarian to set up a vaccination schedule appropriate for your horse.

Transfer/Lease Policy

The following regulations must be met:

- All horses must be owned/leased by the exhibitor or an eligible family member per Rule YP-015 as recorded by APHA postmarked by the preentry deadline, May 29. Youth or eligible family members who own/lease their horses after the May 29 postmark deadline (as recorded by APHA) are eligible to compete for Youth World Show titles and awards upon payment of a \$500 fee (applied to the APHF Youth World Show Scholarship Fund), but they will not be eligible to earn scholarship money.
- Note: Per Rule YP-020.C and AM-025.C for the purpose of tabulating all youth and amateur titles and awards, in the event a horse is sold or leased to any party other than related family as specified in Rule YP-015, any points earned are not transferable and a new start in acquiring points must be made by the new owner/lessee.

APHA Mission Statement

We promote, preserve and provide meaningful experiences with Paint Horses.

APHA Animal Welfare Statement

APHA is committed to the humane and proper treatment of all animals. In this respect:

- The welfare of the animal is the primary consideration in all activities.
- Animals will be treated with kindness, respect and compassion at all times.
- Responsible care will be used by all parties in handling, treatment and transportation
 of animals.
- Horsemen and -women, as owners, exhibitors or trainers, will ensure the health and well-being of animals in their care at all times.
- The standard by which conduct or treatment will be measured is that which a
 reasonable person, informed and experienced in generally accepted animal husbandry
 standards and equine care, training and exhibition procedures, would determine to be
 neither cruel, abusive, nor inhumane.

Based on these principles, the Association has developed and enforces strict rules to ensure ethical competition and humane treatment of American Paint Horses. The Association supports the development of procedures that assure equity, fairness, safety, health and welfare for all participants.

Because the Association is strongly opposed to animal abuse, any member convicted in a court of law of cruelty to animals may be suspended from APHA when certified evidence is presented to the APHA Board of Directors. Further, APHA reserves the right to excuse from further competition and/or remove from the grounds any person who fails to abide by this animal welfare statement and/or any animal whose welfare is under question by APHA.

Sportsmanship Rules/Code of Conduct

"For when the One Great Scorer comes to mark against your name, he writes not that you won or lost—but how you played the game." (Grantland Rice)

One of the primary objectives of the American Paint Horse Association is to encourage high moral character and good sportsmanship among its members while at the same time inspiring exemplary conduct in all phases of competition and instilling a sense of fairness and responsibility for the rigors of showmanship as well as the greater issues of life.

Negative conduct, including harassment, bullying, or any other form of unsportsmanlike conduct will not be permitted by the APHA, and any person engaging in such action or conduct will be disciplined to the full extent permitted by the APHA rules. Unsportsmanlike or irresponsible conduct or any other form of misconduct that is illegal, indecent, profane, intimidating, threatening, harassing or abusive is prohibited. The APHA will not tolerate such behavior and violators will be excused from competition and/or removed from the show grounds and are subject to further disciplinary action.

Anti-Bullying Statement

Everyone has the right to work and show in an environment free from harassment or bullying where they feel safe. The stress placed on targets of bullying have far reaching effects on the emotional health and well being of the victims and on the organization in which it occurs. Bullying can be physical, verbal, written, cyber acts or merely psychological. Incitement of others to such acts is also bullying. The APHA expressly prohibits the bullying of any person by any means at any APHA function or APHA related function.

Good Sportsmanship Rules

Good sportsmanship is about playing by the rules, discipline, respect and self-control. Good sportsmanship is not just what you do in the arena, but the way you conduct yourself both in and out of the arena.

- 1. The "Golden Rule" Do unto others as you would have others do unto you. Show respect for your opponents if you expect it yourself.
- 2. Have an understanding and an appreciation of the rules. The spirit of good sportsmanship depends on conforming to the intent of the rules.
- 3. Enjoy yourself and encourage enjoyment for others.
- 4. Take responsibility for your actions.
- 5. Recognize and appreciate good performances, especially by the opponent.
- 6. Respect the integrity and judgment of the judges and show officials.
- 7. Expect proper behavior from your teammates, trainers, family and friends.
- 8. Accept both victory and defeat with pride and compassion.

American Junior Paint Horse Association Code of Conduct

- As an AiPHA member, I will be honest, fair and friendly.
- I will have respect for myself and others, as well as respect for authority.
- I will be helpful, caring and considerate to others.
- I understand that I am responsible for what I say and do.
- The APHA and AiPHA prohibit the bullying of any person.
- I understand that I am subject to disciplinary action if I am found guilty of unsportsmanlike conduct, including but not limited to: verbal, physical, written or cyber abuse; threat or actual destruction of property; slander; illegal drug, underage drinking or tobacco use.
- I am responsible for my actions.

Reserving Stalls

Stall reservations must be postmarked or received online by May 29, 2020 in order to avoid late fees.

In order to secure a previously held location, your stall reservations must be postmarked or received online on or before May 29.

Payment by check, credit card or cash is required at the time of entry. Reservations received without payment will not be accepted. Payment is deposited upon receipt, but does not guarantee assignment to a requested stall area.

Stalls will be assigned through a lottery, based on date postmarked or received online and priority. The lottery system will continue assigning stalls by the date the reservation is postmarked or received online, through the duration of the show. In terms of priority, no difference will be made whether an exhibitor stays for all or part of the Show.

Stall assignments will be based on the stall locations previously established at the 2019 Youth World Show. Priority will be determined by who paid for the stall the previous year. The following is the order stalls will be assigned:

- Returning individuals whose reservations are postmarked or received online by May 29 and are requesting their established location. However, if more stalls are needed, it may be necessary for that exhibitor to move to a different area or have two separate stalling areas.
- Returning individuals whose reservations are postmarked or received online by May 29, but do not have their established stall location available (stalls that do not exist at the Youth World Show), will be given preference for the remaining preferred stall locations.
- Returning individuals whose reservations are postmarked or received online by May 29 that request a new location.
- New requests/individuals whose reservations are postmarked or received online by May 29.
- · Reservations postmarked or received online after May 29 will be assigned in order by date postmarked or received online.

A \$500 late penalty fee may be paid to retain previous stall location.

Sponsor Awards

Special awards given by our sponsors may be distributed to horses entered and shown in classes during the Youth World Show. To be eligible to receive an award, a horse must have a fully-completed entry form on file at the World Championship Horse Show office by 5 p.m. the day before the horse is to show, and be placed by the judges in a sponsordesignated class. Awards are at the discretion of the Show Management and the award's sponsor, whose decisions in all respects are final. Winners will be

required to immediately sign an Affidavit of Eligibility and Release, or prize may be forfeited. Void where prohibited.

Substitution

All horses must be owned or leased by the Youth exhibitor or related family per the Youth World Show ownership/lease requirements outlined in this premium book to be eligible to compete at the Youth World Show.

Exhibitor Substitutions: Exhibitor substitutions will be accepted in all youth classes, but must be reported to the Horse Show Office or paddock prior to the class entering the arena. No exhibitor change will be accepted at the announcer's stand. Any horse entering the arena in which the exhibitor is someone other than the one on record with the Horse Show Office and in which case an exhibitor change has not been filed with the Horse Show Office or paddock prior to the class entering the arena will **be disqualified.** The same exhibitor must show the same horse under all the judges in a class, including preliminaries and finals

Class Substitution Policy: An individual may substitute classes (exchanging one class for another) if they meet the following criteria:

- The new class must be entered at the late entry fee and by 5 p.m. the day before the class. No exceptions
- The fees already paid may be applied towards the new class fees for the same horse (not transferable between horses).
- No refunds will be given for any remaining fees left unused after substituting classes.
- Fees cannot be applied to anything else besides class fees.

Regular Class Horse Substitutions:

Horses may be substituted for a one-time \$50 fee. Substitutions will be allowed only in the event of the horse's injury or illness and when accompanied by a veterinarian's statement. The substitute horse is entitled to enter the same number of classes at the same fee

structure as the original entry. If substituted classes are at a higher fee structure or have additional fees, the difference must be paid at the time of substitution. If the substituted horse enters fewer classes, the difference in fees will not be refunded. Substitute horse must be owned/leased by the same person or family. Paperwork must be received in the show office by 5 p.m. the day before the first class in which a horse is to be substituted

Once a horse is substituted, the original horse entered may not be shown in any class for the remainder of the show.

Day of Class Horse Substitutions

- Regular Classes: If substitution of a horse is necessary due to a horse's injury or illness after 5 p.m. the day before the class or the day of the class in the exact same class as the original entry, horses may be substituted for a one-time \$50 fee and paperwork must be received in the show office prior to the class entering the arena. No substitutions will be accepted at the paddock. Substitutions must be submitted with a veterinarian's statement and appropriate fees.

Tabulation for Final Standings/ **Preliminaries**

Placed Classes: In placed classes that require preliminary rounds, each judge will place up to 11 horses from each preliminary round. The numerical scores for placing will be determined using the following scale:

1st Place 120 Points
2nd Place 105 Points
3rd Place 91 Points
4th Place 78 Points
5th Place 66 Points
6th Place 55 Points
7th Place 45 Points
8th Place 36 Points

9th	Place	 28	Points
10th	Place	 21	Points
11th	Place	 15	Points
12th	Place	 10	Points
13th	Place	 6	Points
14th	Place	 3	Points
15th	Place	 	1 Point

In preliminary rounds, the highest and lowest placing of each horse will be discarded determining the total combined points. A specific number of horses (as determined by the total

number of entries in the class) with the highest total combined points under judges will return to the semi-finals or finals. A minimum of 15 horses will be brought back to the finals. (Exception: Showmanship, Horsemanship, Equitation and Pleasure Driving). If cuts are necessary, there will be a specific number of cuts, taking a specific number of horses out of each cut to result in a minimum of 15 horses returning to the finals. Placings from preliminary rounds or semi-finals will not be considered in determining Youth World Champions.

In the finals, judges will place 15 horses. The top six of the judges' placings will be announced. Youth World Champions will be determined by discarding each horse's highest and lowest placing. The three remaining placings will then be totaled using the accompanying scale. The horse earning the highest number of points will become the Youth World Champion, second-highest will be Reserve Youth World Champion, etc.

Scored Classes: Scored classes include Reining and Working Cow Horse. The judges will score all horses.

In preliminary rounds, the highest and lowest score of each horse will be discarded determining the total combined score. A minimum of 15 horses from each preliminary round—with the highest total combined points under judges will determine the entries for the semi-finals or finals. Scores from preliminary rounds or semi-finals will not be considered in determining Youth World Champions.

In the finals, judges will place 15 horses. Each of the judges' placings will be announced through sixth place. Youth World Champions will be determined by discarding each horse's highest and lowest score (a "no score" is considered a low score). The three remaining scores will then be totaled. The horse earning the highest combined score will become the Youth World Champion, second-highest will be Reserve Youth World Champion, etc.

Pattern Classes: In Showmanship. Western Horsemanship and Hunt Seat Equitation, patterns will be scored. The highest and lowest placing of each exhibitor will be discarded determining the total combined points. A specific number of exhibitors with the highest total combined points under judges will return to the semi-finals or finals. There will be no less than 15 horses in the finals.

Classes with less than 30 entries will be completed in their entirety in the time slot designated for the preliminaries. No finals will be held. Preliminary pattern will be used in this instance

Classes with 77 or more entries will have semi-finals to determine a minimum of 15 finalists.

The following chart outlines the number of entries selected for the finals based on the total number of entries in the class.

Competed Entries	# Cuts	Semi-Finalists/ Finalists
30- 44	2	16 to Finals
45- 66	3	18 to Finals
67- 76	4	20 to Finals
77- 86	4	24 to Semi-Finals
87-110	5	25 to Semi-Finals
111-120	6	30 to Semi-Finals

Extension Cord Requirements

If extension cords are used at the horse show facility. Ground

Fault Interrupter Protection (GFCI) is required. These cords are easily recognized as there is a test and a reset button on the cord. Most of these cords have the words "GFCI protected" printed on the cord. All 120-volt extension cords must be three-wire grounding-type cords (recognized by the three-prong plug on the end of the cord). Frayed or damaged cords may not be used. Extension cords may not be installed through doors.

These requirements help eliminate harmful or fatal electrical hazards to you or your animals. City staff, including Fire Inspectors and Electrical Inspectors, will check the premises periodically for compliance.

Portable Cooling Systems/Electrical Requirements

For stalling, please follow these guidelines provided by the WRMC staff:

 The only portable water-cooled fans allowed must meet the power require-

- ments outlined below and have a self-contained water source. The larger fans that require a continuous water source and have higher power requirements may be used in the Moncrief stall area only.
- There are 5 amps of power available to every stall in the Richardson-Bass and Burnett Buildings. This will basically accommodate one box fan. Multi-plug devices will not be allowed (i.e. plug strip). Only one cord may be plugged into each single outlet. Only extension cords with appropriate GFCI protection will be allowed. Extension cords and power strips may not be used to operate multiple appliances simultaneously.
- No small air conditioners, heaters or margarita machines are allowed in the stalling areas. We have limited electrical use; we must provide power to all exhibitors for fan use. If a small air conditioner or heater is reported, it will be turned off immediately and the owner will be asked to remove it.
- Post hydrants are available for exhibitor use at the end of each row of stalls. These may not be left on indefinitely. They must be turned off after each use. They may not be connected to portable water-cooled fans, misting systems, etc., which require a continuous water supply.
