SEPTEMBER 17-30, 2018

Will Rogers Memorial Center
Fort Worth, Texas

Required Health Documents

To comply with state animal health regulations and to ensure the health of your horse, the following requirements will be strictly enforced for all horses at the APHA World Show.

- **Check-in will be conducted from September 15 through September 30 in the Stall Office or Horse Show Office.** All horses must have their health certificates and Coggins papers checked.
- All horses must have a:
 1. Negative Coggins (Equine Infectious Anemia) dated no earlier than September 29, 2017.
 2. Health certificate issued no earlier than August 31, 2018, by a licensed veterinarian from the state of origin.
- These documents will be checked upon arrival at the show office or stall office.

Make sure the veterinarian uses registered names on the health and Coggins certificates rather than “barn names.” If current Coggins, health papers and/or a copy of the original Certificate of Registration are not available, the horse will not be allowed to compete and entry fees will be forfeited. All horses are subject to inspection by the Show Veterinarian or State Veterinarian at any time or if suspected of harboring a communicable disease.

The American Paint Horse Association recommends that horses being brought to the World Show be vaccinated for West Nile Virus. Additionally, owners of horses should ask their veterinarians about a booster shot for West Nile Virus.

It is important to remember that vaccines that protect your horse against Western, Eastern and Venezuelan Equine Encephalitis do not protect against Encephalitis caused by West Nile Virus. If you vaccinate against Western, Eastern and/or Venezuelan Encephalitis, you should vaccinate against West Nile Virus as well. Consult your veterinarian to set up a vaccination schedule appropriate for your horse.

Transfer/Lease Policy

Transfer/Lease of Horses at the Show: *During the show, transfer/leasing of horses competing in the show may be completed.*

The following regulations must be met:

- All transfer/lease transactions must be submitted to the APHA MemberCare booth located in the Richardson–Bass Building.
- All transfer/lease transactions **must be completed by 5 p.m. the day prior to the class** in which the horse is to be exhibited in the new owner’s/lessee’s name.
- Show Management will not recognize transfers/leases of show horses that are completed at the APHA home office during the World Show.
- *Note: Per Rule YP-020.C and AM-025.C for the purpose of tabulating all youth and amateur titles and awards, in the event a horse is sold or leased to any party other than related family as specified in Rules YP-020 and AM-020, any points earned are not transferable and a new start in acquiring points must be made by the new owner/lessee.*

APHA Mission Statement

To promote, preserve and provide meaningful experiences with Paint Horses.

APHA Animal Welfare Statement

APHA is committed to the humane and proper treatment of all animals. In this respect:

- The welfare of the animal is the primary consideration in all activities.
- Animals will be treated with kindness, respect and compassion at all times.
- Responsible care will be used by all parties in handling, treatment and transportation of animals.
- Horsemen and -women, as owners, exhibitors or trainers, will ensure the health and well-being of animals in their care at all times.
- The standard by which conduct or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted animal husbandry standards and equine care, training and exhibition procedures, would determine to be neither cruel, abusive, nor inhumane.

Based on these principles, the Association has developed and enforces strict rules to ensure ethical competition and humane treatment of American Paint Horses.

The Association supports the development of procedures that assure equity, fairness, safety, health and welfare for all participants.

Because the Association is strongly opposed to animal abuse, any member convicted in a court of law of cruelty to animals may be suspended from APHA when certified evidence is presented to the Executive Committee. Further, APHA reserves the right to excuse from further competition and/or remove from the grounds any person who fails to abide by this animal welfare statement and/or any animal whose welfare is under question by APHA.

Sportsmanship Rules

“For when the One Great Scorer comes to mark against your name, he writes—not that you won or lost—but how you played the game.”
(Grantland Rice)

One of the primary objectives of the American Paint Horse Association is to encourage high moral character and good sportsmanship among its members while at the same time inspiring exemplary conduct in all phases of competition and instilling a sense of fairness and responsibility for the rigors of showmanship as well as the greater issues of life.

Negative conduct, including harassment, bullying, or any other form of unsportsmanlike conduct will not be permitted by the APHA, and any person engaging in such action or conduct will be disciplined to the full extent permitted by the APHA rules. Unsportsmanlike or irresponsible conduct or any other form of misconduct that is illegal, indecent, profane, intimidating, threatening, harassing or abusive is prohibited. The APHA will not tolerate such behavior and violators will be excused from competition and/or removed from the show grounds and are subject to further disciplinary action.

Anti-Bullying Statement

Everyone has the right to work and show in an environment free from harassment or bullying where they feel safe. The stress placed on targets of bullying have far reaching effects on the emotional health and well being of the victims and on the organization in which it occurs. Bullying can be physical, verbal, written, cyber acts or merely psychological. Incitement of others to such acts is also bullying. **THE APHA EXPRESSLY PROHIBITS THE BULLYING OF ANY PERSON BY ANY MEANS AT ANY APHA FUNCTION OR APHA RELATED FUNCTION.**

Good Sportsmanship Rules

Good sportsmanship is about playing by the rules, discipline, respect and self-control. Good sportsmanship is not just what you do in the arena, but the way you conduct yourself both in and out of the arena.

1. The “Golden Rule” – Do unto others as you would have others do unto you. Show respect for your opponents if you expect it yourself.
2. Have an understanding and an appreciation of the rules. The spirit of good sportsmanship depends on conforming to the intent of the rules.
3. Enjoy yourself and encourage enjoyment for others.
4. Take responsibility for your actions.
5. Recognize and appreciate good performances, especially by the opponent.
6. Respect the integrity and judgment of the judges and show officials.
7. Expect proper behavior from your teammates, trainers, family and friends.
8. Accept both victory and defeat with pride and compassion.

Amateur Walk-Trot Eligibility Requirements

See 2018 APHA Official Rule Book Rules AM-300, AM-010, AM-015, AM-020 and AM-025.

To qualify to compete in Amateur Walk-Trot classes at the World Show, exhibitors must have held a 2018 Amateur Walk-Trot card by June 4, 2018. If a 2018 Amateur Walk-Trot card has not been held by June 4, 2018, an exhibitor may apply for one to show at the 2018 World Show if the following conditions apply: an exhibitor may not have earned any points in performance classes (Open and/or Amateur divisions) with APHA or any other recognized association during the 2018 calendar year. Halter and in-hand classes do not count against eligibility.

World Show Participation Qualification Requirement

Regional Clubs are the heart of the APHA, and support of these grassroots clubs is vital to the growth of the Paint Horse industry. APHA's qualifying is strictly participation-based, and on the horse only. To verify if your horse is qualified for the World Show, please check the website at apha.com/oaawcs/qualifiers.

Qualification Criteria:

1. All horses (Regular Registry and Solid Paint-Bred) must qualify to participate at the APHA World Championship Show. In order to qualify to compete at the World Show, all horses must compete at two (2) different APHA-approved show events, during the qualifying period. Horses may be shown in any state, regardless of residence, to qualify – participation is the key. (See #5 for exceptions.)

Examples:

- A 2-day, 2-judge show held Saturday and Sunday counts as one show event.
 - Two back-to-back 2-judge shows count as two events total.
 - A 4-judge POR counts as one show event.
 - Two back-to-back 4-judge PORs count as two show events.
- a. Special events held with APHA dual-approval (i.e. an NRHA reining with

APHA dual-approval or NSBA classes with APHA dual-approval, etc.) count toward the qualification requirements.

- b. Paint Alternative Competition-approved events do not count toward qualification.
 - c. The APHA World Show does not count toward qualification.
2. Those who have not competed in a minimum of two shows during the qualifying period may pay a \$1,000 per show qualification fee at time of entry to fulfill the requirement.
 3. Qualification period:
 - 2018 – Open/Amateur World Show – June 1, 2017 - June 4, 2018.
 - 2019 – Open/Amateur World Show – June 1, 2018 - June 3, 2019.
 4. Horses are not required to qualify in specific events in any division. Any qualified horse may be shown in any class at the World Show in any division in which they are eligible. Horses will show in their appropriate age division at the World Shows, regardless of the qualifying division.
 5. Exhibitors are not required to qualify. Any exhibitor may show any qualified horse in any class at the World Show in any division. Amateur eligibility and ownership rules apply.
 - a. *Exception: To qualify to compete in Amateur Walk-Trot classes at the World Show, exhibitors must have held a 2018 Amateur Walk-Trot card by June 4, 2018.*
 - b. *If a 2018 Amateur Walk-Trot card has not been held by June 4, 2018, an exhibitor may apply for one to show at the 2018 World Show if the following conditions apply: an exhibitor may not have earned any points in performance classes (Open and/or Amateur divisions) with APHA or any other recognized association during the 2018 calendar year. Halter and in-hand classes do not count against eligibility.*

APHA World Championship Show, continued

6. Exemptions:

- a. Horses being shown only in the following classes are not required to qualify due to time restraints and age of horse.
 - Weanling halter
 - Yearling halter
 - Broodmares (must meet broodmare eligibility as outlined in Rule SC-175.L.f.)
 - Yearling Longe Line and Yearling In-Hand Trail
 - Two-year-old performance horses
 - Three-year-old performance horses
 - Four-year-old speed event horses
- b. Additional exceptions will be determined by zone, based on classes not offered during the qualifying year in the owner's zone. Exemption will be granted to horses whose owners reside in that zone only in the classes that were not held. If a horse is qualified by the exemption, the horse must be entered in that class to be eligible to compete at the World Show. Example: roping, cutting, over fences, etc. in certain areas.

7. Specialty classes (including Challenge, Sweepstakes, Breeders' Futurity classes) do not require horse qualification to enter; although if regular classes are also to be entered, then the horse must qualify. *Exception: PBRIP Sweepstakes and Sweepstakes classes held concurrently with World Championship classes require qualification.*

8. At no time will the number of points or lack thereof be considered for qualification. Participation at APHA-approved shows is the only basis for qualification.

Additional questions about participation-based World Show qualifying can be directed to the APHA Performance Department at (817) 834-2742.

All exhibitors and owners must be current members of the American Paint Horse Association.

Conditions

Rules Governing Competition

Challenge or Sweepstakes entries may be shown prior to the Challenge or Sweepstakes classes. All official rules of the APHA or World Show Premium Book will apply to Challenge and/or Sweepstakes classes.

In the absence of specific rules and/or conditions not covered by the Premium Book, the final decision will be governed by the Executive Director and/or the APHA Executive Committee, and all decisions will be final.

Failure to comply with all rules will cause all fees, awards and earnings to be forfeited and entry to be disqualified.

Entry Declaration

All entrants in the 2-Year-Old Western Pleasure, 2-Year-Old Hunter Under Saddle, 3-Year-Old Western Pleasure, 3-Year-Old Hunter Under Saddle, 3-Year-Old Western Pleasure Challenge and 3-Year-Old Hunter Under Saddle Challenge must declare they will be exhibiting in their class by 5 p.m. the day prior to the class in order for the classes to be cut properly and the working order posted. All entries not included in the working order as posted will not be allowed to show.

Registration Papers

Original registration papers or copies are required to compete. Owners or handlers of Challenge and Sweepstakes horses will be required to present original registration papers or photocopy to pick up entry packets.

Change of Ownership

An entry may change ownership and retain eligibility under the new owner. Entry

payments must comply with the payment schedule. See Transfer Policy on page 2.

Checks to the Winners

All prize money will be paid by checks made payable to the recorded owner/lessee at the time class placings are awarded, (exception: prize money earned in PBRIP Barrel Racing Sweepstakes will be made payable to the exhibitors.) After the results of all drug tests are received, the checks will be mailed from the APHA office within 60 days.

Exhibitor/Horse Combination

The same exhibitor must show the same horse under all the judges in a class, including preliminaries and finals. Any changes in the exhibitor in between preliminaries and finals may be made only due to accident or illness of the exhibitor and with permission of the Show Management.

Non-Pro Eligibility

A Non-Pro must be enrolled in the APHA Amateur or Youth Program and must meet the ownership/lease requirements per Rule AM-020 and YP-015 respectively.

Electronic Devices

Exhibitors using electronic devices or two-way communication devices inside the show arena or show ring shall be automatically disqualified unless assistance is necessitated under provisions of Rule SC-160.F. and approval by the Executive Committee has been granted.

Tack and Attire

Exhibitors must be required to drop headstalls to be viewed by an appointed representative. Tying or fastening a horse's mouth is cause for disqualification. Refer to the *APHA Rule Book* for appropriate attire and tack.

See individual class rules for specific equipment requirements.

Judging

The Western Pleasure and Hunter Under Saddle Challenge and Sweepstakes classes will be judged in one go-round. Five judges

World Show Challenge, Sweepstakes & Jackpot Classes, continued

will be used dropping the high and low placing to determine the final placings of the class, unless specified otherwise. If cuts are necessary, there will be a specific number of cuts, taking a specific number of horses out of each cut to result in a minimum of 15 horses going back to the finals.

The Reining, Working Cow Horse and Cutting Challenge classes will be judged by five judges with the high and low scores dropped.

Decisions of the judges are final, and entries will be accepted only on this condition.

Ties

In the event of a tie in the preliminary round for 15th place, all horses tied for 15th will be brought back to the finals in the scored classes. Tie-breaker judge's placings will be used in placed classes.

In the event of a tie for first place in the finals round, a workoff will be held in the Cutting, Working Cow Horse and Reining classes. The tie-breaker judge's placings will be used in placed classes.

In the event of any other ties in the finals round, the prize money of the tied places will be added together and split equally between those horses tied.

Payouts

The total purse for each Challenge and Sweepstakes class will be the sum of all entry fees (excluding the office charge, cattle charge, partial payments, and penalty payments) and the money added by Show Management.

Challenge and Sweepstakes classes with less than 6 entries will not be eligible for added money unless otherwise specified. In these cases, the class purse will only consist of jackpotted pre-entry fees minus the office charge and cattle charge.

Stall Information

Every horse entered in the World Show must have a stall.

Reserving Stalls

Stall reservations must be submitted online, postmarked or received in the APHA office by August 1, 2018 in order to avoid late fees.

In order to secure a previously held location, your stall reservations must be postmarked on or before August 1.

Payment by check, credit card or cash is required at the time of entry. Reservations received without payment will not receive a postmark date and will be returned unprocessed. Payment is deposited upon receipt, but does not guarantee assignment to a requested stall area.

Stalls will be assigned through a lottery, based on received or postmark date and priority. The lottery system will continue assigning stalls by the date the reservation is received or postmarked, through the duration of the show. In terms of priority, no difference will be made whether an exhibitor comes for a portion of the show or stays for the entire event.

Stall assignments will be based on the stall locations previously established at the 2017 World Show. Priority will be determined by who paid for the stall the previous year. The following is the order stalls will be assigned:

- Returning individuals whose reservations are received or postmarked August 1 and are requesting their established location. However, if more stalls are needed, it may be necessary for that exhibitor to move to a different area or have two separate stalling areas.
- Returning individuals whose reservations are received or postmarked August 1, but do not have their established stall location available (stalls that do not exist at the Open/Amateur World Show), will be given preference for the remaining preferred stall locations.
- Returning individuals whose reservations are received or postmarked August 1 that request a new location.
- New requests/individuals whose reservations are received or postmarked August 1.
- Reservations postmarked after August 1 will be assigned in order by received or postmark date.

Those wishing to be stalled with trainers or another exhibitor must submit stall reservations together or be sure to put the exact same name in the "Stall With" section. Stalls will be reserved under the name of the person making payment.

Stall numbers will be given by the stall office staff upon your arrival at the show grounds. The stall office will be located in the Moncrief Building and will be staffed 24 hours a day beginning September 15, 2018 at 7:30 a.m.

Tack and Other Stall Rules

If ordering a tack stall for more than one person, all tack stalls must be paid for by one exhibitor. Stalls may be used only to house horses and tack. **Any other commercial uses are strictly prohibited.**

While fans are allowed, for safety reasons, air conditioners are prohibited in the stalling area. Also, any fabric or paper used or draped in stalls must be fire-resistant or treated with a flame retardant.

Any damage to stalls will be the financial responsibility of the owner/exhibitor/trainer.

Stall(s) cannot be resold unless the sale is approved by Show Management.

Bedding

Bedding is not included in the stall fee and must be purchased from the Will Rogers Memorial Center. The cost for shavings is \$7 per bag (small/loose flakes), \$10 per bag (large/compressed flakes) or \$10 per bag for a blend.

Shavings will be for sale through the WRMC Shavings Office located in the Moncrief Building adjacent to the APHA Stall Office. Will Rogers Memorial Center staff will deliver shavings to stall areas. Bedding must be purchased on the grounds.

As a service to expedite move-in, advance bedding orders will be accepted by the APHA. Complete the Advance Bedding Order portion of the Stall Reservation Form to place your order with the APHA. All advance bedding orders must be placed by September 11 and must be paid for at the time of ordering. **Minimum of 50 bags per order required.**

Stall Information, continued

Panel Removal

Stall panels in the Richardson-Bass and Burnett buildings **may not be removed per Will Rogers Memorial Center**. In all other barns, a fee of \$15 per panel that is removed will be charged by WRMC regardless if the stall panel is returned to its original location prior to departure.

Soiled Bedding

Exhibitors are required to keep their stalls clean and neat, to dispose of refuse matter in designated dump areas, and remove all items and materials erected by them, including tack, stall decorations and all signs.

Stall Decorations

Please limit end-of-aisle decorations to 42 inches deep and allow at least a 7-foot height clearance over aisles for equipment. WRMC asks that a covering, such as plastic, be placed underneath any groundcover or plants. Decorations must be attached using temporary setups, such as wire or plastic ties, and removed prior to moveout. The following may NOT be used: nails, liquid nail, bolts, screws, rubber cement, etc. Any damage to stalls will be the financial responsibility of the owner/exhibitor/trainer. Any fabric or paper used or draped on stalls must be fire-resistant or treated with fire retardant.

Changes/Refunds

Changes to stall reservations are possible if you are flexible. If you reserve stalls for a portion of the show and later decide to come early or stay late, it may be necessary for you to move to another area to accommodate your request. If you change trainers, every attempt will be made to put you in the same barn. Finally, if you decide to cancel your stall reservation prior to September 1, you are entitled to a refund of the horse's stall fee, minus 20% per stall office fee. Absolutely no stall fees will be refunded after September 1.

Stall Fees

Stall Availability: September 15-30, 2018. Stalls are reserved by length of stay. Shavings are not included. Will Rogers Memorial Center stabling will not be available until 7:30 a.m., Saturday, September 15.

- The American Paint Horse Association will be referred to as APHA or the Association.

General Rules and Regulations

This show will be run in compliance with the *2018 Official APHA Rule Book* and supplements except as may be otherwise stated on the following pages.

The management reserves the right to decline any entry before or during the show without liability for compensation for reasons such as checks written with nonsufficient funds, stopped payment on check, poor sportsmanship, inhumane treatment of horses, harassment of judges, officials, secretaries, ring stewards, employees, and/or any other authorized representative of the show.

Sportsmanship/Conduct

“For when the One Great Scorer comes to mark against your name, he writes—not that you won or lost—but how you played the game.” (Grantland Rice)

One of the primary objectives of the American Paint Horse Association is to encourage high moral character and good sportsmanship among its members while at the same time inspiring exemplary conduct in all phases of competition and instilling a sense of fairness and responsibility for the rigors of showmanship as well as the greater issues of life.

Negative conduct, including harassment, bullying, or any other form of unsportsmanlike conduct will not be permitted by the APHA, and any person engaging in such action or conduct will be disciplined to the full extent permitted by the APHA rules. Unsportsmanlike or irresponsible conduct or any other form of misconduct that is illegal, indecent, profane, intimidating, threatening, harassing or abusive is prohibited. The APHA will not tolerate such behavior and violators will be excused from competition and/or removed from the show grounds and are subject to further disciplinary action.

Anti-Bullying Statement: Everyone has the right to work and show in an environment free from harassment or bullying where they feel safe. The stress placed on targets of bullying have far reaching effects on the emotional health and well being of the victims and on the organization in which it occurs. Bullying can be physical, verbal, written, cyber acts or merely psychological. Incitement of others to such acts is also bullying. The APHA expressly prohibits the bullying of any person by any means at any apha function or APHA related function.

Good Sportsmanship Rules: Good sportsmanship is not just what you do in the arena, but the way you conduct yourself both in and out of the arena.

1. The “Golden Rule” – Do unto others as you would have others do unto you. Show respect for your opponents if you expect it yourself.
2. Have an understanding and an appreciation of the rules. The spirit of good sportsmanship depends on conforming to the intent of the rules.
3. Enjoy yourself and encourage enjoyment for others.
4. Take responsibility for your actions.
5. Recognize and appreciate good performances, especially by the opponent.
6. Respect the integrity and judgment of the judges and show officials.
7. Expect proper behavior from your teammates, trainers, family and friends.
8. Accept both victory and defeat with pride and compassion.

Employees/Contract Labor: Any full time person employed by APHA, or contracted for any portion of the horse show, or any of their legal wards, are ineligible to exhibit in any portion of the Youth or World Show.

Final Interpretation of Rules

The FINAL RIGHT to settle all questions or disputes arising during the Horse Show is reserved by the Show Management and all exhibitors, trainers, riders, or other participants therein, as a condition of admission, give unqualified consent to such methods of settlement and agree in advance to be bound thereby. In the absence of a specific rule and/or conditions not covered by this Premium Book, the final decision will be governed by the Executive Committee, and all decisions are final. Failure to comply with all rules will cause all fees to be forfeited and entry to be disqualified.

All rules listed within this Horse Show Rules section pertain to every class of the Youth or World Show, including all Challenge and Sweepstakes classes.

APHA Rule Variances

SC-110.I - Line up and announce placings through 6th place under each individual judge in halter and Amateur rail classes. All judges' scoresheets will be posted for these classes.

SC-175.M.4 - Grand and Reserve Champions are not awarded in halter.

Liability

See APHA Rule GR-045 and GR-050. This release of liability includes the Chamber of Commerce and the Horse Show Facility, the City Government and their officers and directors. Officials and employees will not be responsible for any accident that may occur to, or be caused by, any horse exhibited at the World Show, or for any article of any kind or nature that may be lost or destroyed, or in any way damaged. Each exhibitor is responsible for any injury that may be occasioned to any person or animal, or damage to any property while on grounds, by any horse

owned or exhibited by or in his or her custody or control, and to indemnify and hold harmless the American Paint Horse Association, Chamber of Commerce, the City Government, the Horse Show Facility, or any other sponsoring organization, if any, from and against all claims, demands, cause of accident, injury, or damage to person or property caused by the ownership exhibition or custody, or control of any animal exhibited.

The APHA reserves the right to cancel, re-schedule or rearrange any class or event, or part thereof, when such action is necessitated by an act of God, or other event or circumstance that is beyond the control of show management. The APHA will not be liable to any person or entity for damages of any kind whatsoever, which relate in any manner to, or arise out of, such cancellation or rescheduling.

Horse Show Rules, continued

Disqualification

Any exhibitor, horse or owner disqualified from a class for any reason will not receive a refund. When disqualification by Show Management, Judges or any Show Official occurs, the decision is final. In addition to other disqualifications as outlined in the rules and regulations contained in the *Official APHA Rule Book*, judges (including equipment judges) and/or Show Management shall have the authority to disqualify entries for illegal equipment, inhumane treatment or the presence of blood on the horse. The exhibition of a horse that has a cut or abrasion, showing clear evidence of fresh blood in the mouth, nose, chin, shoulder, barrel, flank or hip area, must be considered abuse regardless of how the injury was caused. Judges and/or Show Management may disqualify an exhibitor and/or horse from competition for any condition considered unsafe. See Rule SC-160.I.2.

Drug Testing

A horse cannot be shown in any class if that animal has been administered a prohibited substance in any manner. Prohibited substances are those set forth in the current *APHA Rule Book*. See Rule SC-085. A medication report must be filed with Show Management (in accordance with the rule) when conditionally prohibited substances are used.

Tests (urine and/or saliva and/or blood) for medication shall be made in compliance with the current *APHA Rule Book* in any event, at the total discretion of the judge(s), veterinarian(s), Show Steward(s) or Show Management.

Full cooperation with the APHA representative is required. Failure to do so shall be considered a refusal and subject to disciplinary action.

Electronic Devices

Exhibitors using electronic devices or two-way communication devices inside the show arena or show ring shall be automatically disqualified unless assistance is necessitated under provisions of Rule SC-160.F. and approval by the Executive Committee has been granted.

Entries

All entries must be submitted on forms furnished by the APHA (copies of the printed forms will be accepted) or through the online entry form, signed by the proper parties, and accompanied by all entry fees, drug and processing fees and a completed W-9 for the current owner or in the case of multiple owners, that of one of the current owners listed on the Certification of Registration. One entry form is required per horse.

Exhibitors are responsible for any errors on their entry forms. Entries lacking sufficient information or not accompanied by all required fees will not be accepted.

Entries and/or any changes to entries must be submitted in writing. Entries and/or any changes to entries will not be accepted by telephone. The APHA is not responsible for lost or late entries.

The IRS requires the APHA to obtain the correct taxpayer identification number (TIN) for persons for whom we have to file an information return (i.e. 1099-Miscellaneous for premium payback). The social security number listed on this form should be that of the current owner or in the case of multiple owners, that of one of the current owners listed on the Certificate of Registration. No other social security number is acceptable. If the correct TIN is not provided, subsequent payments can be subject to backup withholding per IRS regulations. Payout checks will not be issued until the APHA has a W-9 on file for all persons receiving these checks. This information must be provided to the APHA regardless of the age of the owner. Your exhibitor packet will be held if this form is not submitted.

Social Security numbers must be provided for individuals. If the horse is owned by an individual versus a farm/ranch, taxpayer identification numbers for businesses will not be accepted in lieu of a social security number for the individual owners. International residents must complete IRS Form W-8BEN.

Exhibitors are responsible for verifying that entries have been received in the APHA office. If you fax entries, please DO

Horse Show Rules, continued

NOT send the originals in the mail. If you fax entries or stall reservations, please keep a copy of the fax transmittal for proof of date and time faxed.

Entry Deadline

All pre-entries must be submitted online or postmarked by August 1, 2018 in order to pay pre-entry fees. Entries will be accepted after this date with a post entry fee. Post entries must be made by 5 p.m. the day prior to when the class to be entered is scheduled. No exceptions will be made.

Only postmarks from an official U.S. Post Office are acceptable (postal meters are not acceptable) and used in determining any and all deadlines regarding entries, cancellations, etc. Any entry deadline that falls on a day the U.S. Post Office is not open for business shall be due as follows:

- A postmark on or before midnight of the next business day immediately following the entry deadline is acceptable.
- Postmark dates on registered or certified mail will be accepted.

Entry Numbers

To ensure that your placings are accurate, it is essential that the correct entry number is used for all classes. Failure by exhibitor to display the correct number in a visible manner while being judged shall result in disqualification from the class. See Rule SC-160.H.

Entry numbers will be assigned to each horse, not the exhibitor. This number will be used for all classes in which the horse is entered. In the event a horse is entered in more than one division (open, amateur or youth), only one entry number will be issued for each horse.

Entry numbers must not be altered, cut or folded. Handling entry numbers in that manner will result in the exhibitor being excused prior to the judging. Note: Horses must be positively identified prior to laminating of entry numbers.

- In Halter classes - Entry numbers must be worn on the exhibitor's back.
- In Western and English classes - Entry numbers must be worn on both sides of the horse. Exception: In timed events, all cattle events, ranch horse classes and reining,

entry numbers must be worn on one or both sides of the horse.

- In Pleasure Driving and Utility Driving classes - Entry number must be displayed on both sides of the cart.

Equipment Judge

An equipment judge(s) shall be employed by and be a representative of the APHA. The equipment judge shall be responsible for attire and equipment rule interpretations. Final interpretations are the responsibility of Show Management. All bits, tack, appointments, and attire shall be checked by the equipment judge prior to entering the arena. Any equipment considered to be inhumane or illegal by the official equipment judge must be removed or entry into the arena will be denied. The equipment judge may disqualify an entry for illegal equipment or attire, inhumane treatment or the presence of blood on the horse. The exhibition of a horse that has a cut or abrasion, showing clear evidence of fresh blood in the mouth, nose, chin, shoulder, barrel, flank or hip area, must be considered abuse regardless of how the injury was caused.

Equipment cannot be changed between a preliminary and a finals. Once equipment has been checked by the equipment judge, equipment cannot be changed unless checked again by the equipment judges.

The equipment judge(s) shall have the authority to call for a blood and/or urine test on any horse.

The equipment judge(s) may serve as an official alternate judge at the discretion of Show Management.

Exercise Schedule

Daily availability of the John Justin Arena, W.R. Watt Arena and Will Rogers Coliseum will vary. Every effort will be made to ensure that one exercise arena is available on a 24-hour basis. Exercise schedules will be available in the Horse Show Office and Information Booth. Paid practices will be offered for Trail, Over Fences, Western Pleasure, Hunter Under

Horse Show Rules, continued

Saddle and Reining. No longeing will be allowed in the arenas stated above. Longeing areas will be designated and should be closely followed.

Exhibitor Agreement

The condition of submitting entries, or the first entry into the show ring of a horse or exhibitor, will be deemed acceptance of the rules set forth in the current year Premium Book and *APHA Official Rule Book*.

Exhibitor/Horse Combination

The same exhibitor must show the same horse under all the judges in a class, including preliminaries and finals. Any changes in the exhibitor in between the preliminaries and finals may be made only due to accident or illness of the exhibitor, and with permission of the Show Management.

Exhibitor/Spectator Cooperation

All individuals are requested to cooperate with Show Officials at all times. Any individual who is delinquent in his responsibility in this area may be, along with his horse(s) or exhibit(s), excused from further competition and/or removed from the grounds. That individual will forfeit all previous winnings, entry fee(s) and other fees. See rules SC-070, GR-040.C, GR-060.D, YP-080.L.1.

Failure to Compete

All entries in all events are required to compete under all designated judges of the World Show in order for results to be tabulated in the finals.

Fall of Horse or Rider

In performance classes, the fall of horse or rider while in the arena shall be cause for disqualification in that class. A horse is considered having fallen when he or she is on their side and all four feet are extended in the same direction. Rider is considered to have fallen when he or she is not astride. Exception: see Rule SC-265.H.5.I. In barrel racing, pole bending and stake race, an exhibitor will be given a no time if the horse or rider falls during the run in such a manner as to break the pattern, or if the rider falls

off the horse. If exhibitor falls off the horse after run is completed and after crossing the time line, the time remains valid.

Finals

In those classes having a finals competition, horses selected to compete in the finals will be determined by the judges. All horses selected by the judges will be invited to compete in the finals. The same exhibitor that showed the horse in the preliminaries must show the horse in the finals. All exhibitors in the finals competition will be judged on the merit of their performance in that competition.

Equipment cannot be changed between a preliminary and a finals. Once equipment has been checked by the equipment judge, equipment cannot be changed unless checked again by the equipment judges.

Inhumane Treatment

The APHA is committed to the humane and proper treatment of all animals. The welfare of the animal is the primary consideration in all activities. Animals will be treated with kindness, respect and compassion at all

times. Owners, exhibitors, trainers and all responsible parties must ensure the health and well being of animals in their care at all times including, but not limited to, handling, transportation, training, treatment and stalling.

Per Rule SC-075 of the *Official APHA Rule Book*, no person on show grounds, including but not limited to, barns, stalls, parking area and show arena may treat any animal in an inhumane manner, which includes but is not limited to:

1. Placing an object in a horse’s mouth so as to cause undue discomfort or distress;
2. Tying a horse in a manner as to cause undue discomfort or distress in a stall, trailer or when longeing or riding;
3. Letting blood from a horse;
4. Use of inhumane training techniques or methods; poling or striking horse’s legs with objects (i.e. tack poles, jump poles, etc.);
5. Any item or appliance that restricts the movement or circulation of the tail;
6. Intentional inhumane treatment that causes a horse to bleed;
7. Failure to maintain an appropriate environment for horses’ well-being.
8. Use of prohibited equipment, including, but not limited to: saw tooth bits; hock hobbles; tack collars; or tack hackamores; whips used for showmanship; war bridles or like devices; riding in a curb bit without a curb strap; wire or solid metal curb straps no matter how padded; wire cavesson; wire or cable tie-downs; bumper bits; metal bosals (no matter how padded); chambons; headstalls made of metal (no matter how wrapped or padded), twisted rawhide, or rope may not be used on a horse’s head (3/8 inch rope may be used with a slip/gag bit); running martingales used with curb bits used without rein stops (running martingales may be used with legal curb bits as long as the reins have rein stops);
9. Excessive spurring or whipping;
10. Excessive jerking of reins;
11. Excessive fencing;
12. Excessive spinning (defined as no more than eight (8) consecutive turns in either direction);
13. Schooling over ramped oxers in reverse order (i.e., from highest to lowest instead of lowest to highest);

Horse Show Rules, continued

14. Schooling using rails higher than four (4) feet;

15. Exhibiting a horse which appears to be sullen, dull, lethargic, emaciated, drawn or overly tired;

16. If fresh blood is found on any mouth and/or body areas of a horse, (i.e. including but not limited to: barrel, flanks, belly, sides, shoulders) at any time the horse must be excused from the competition;

17. Applying excessive pressure on or excessively jerking of a halter lead shank or an allowed lip chain;

18. Any other treatment or conduct deemed by a show official to be inhumane or abusive.

The standard by which conduct or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted animal husbandry standards, equine training and exhibition procedures, would determine to be cruel, abusive and inhumane.

The exhibition of a horse that has a cut or abrasion, showing clear evidence of fresh blood in the mouth, nose, chin, shoulder, barrel, flank or hip area, must be considered abuse regardless of how the injury was caused.

Upon discovery by any show official of inhumane treatment, show management reserves the right to immediately disqualify the horse and exhibitor for the remainder of the show and/or remove them from the grounds and shall immediately report the matter to the APHA for further disciplinary action.

This prohibition against inhumane treatment applies to APHA members and non-members. APHA members may be held responsible for the actions of their trainers, agents, representatives and/or employees. For violation of this rule, an individual may be disciplined, suspended, fined, denied APHA privileges, disqualified, expelled from show grounds and/or expelled from APHA.

Judges

Show Management reserves the right to use alternate judges when deemed necessary. Specialty judges may be used for Cutting, Reining, Working Cow Horse, Halter, Roping, Ranch, Over Fences, and Breeders' Futurity classes.

Decisions of the judges are final, and entries will be accepted only on that condition.

Judges Video Reviews

Judges will automatically video review runs in scored classes that lack concurrence when major faults, severe faults, disqualifications, zero scores or no scores are involved. Judges will only review the maneuvers where a lack of concurrence exists between the judges and only that penalty score can be changed. Lack of concurrence concerning non-major penalties will not be reviewed and cannot be changed once submitted.

The video footage used for judges reviews will be provided by the official show videographer only and not from any other source.

No judge shall be required to change his/her score following a video review. Each judges' decision is an individual call.

Cutting: Cutting classes will be reviewed for lack of concurrence on 3 and 5 point penalties using the NCHA Adjusted Monitor System.

Reining: Reining classes will be reviewed for lack of concurrence on 2 point (excluding marker penalties) and 5 point penalties and scores of 0.

Trail and Western Riding: Trail and Western Riding classes will be reviewed for lack of concurrence on 3 and 5 point penalties and scores of 0.

Lameness/Abuse Clause

Show Management reserves the right to remove an entry from the arena if the majority of judges disqualify a horse due to lameness or abuse. At Show Management's discretion, at the completion of a class or individual work, prior to leaving the arena, the horse shall be asked to perform movements/maneuvers on loose rein or lead to demonstrate soundness.

Exhibition of a horse that is obviously lame as determined by show judges in any class shall be cause for disqualification. See Rule SC-160.O for complete rules regarding lameness.

The exhibition of a horse that has a cut or abrasion, showing clear evidence of fresh blood in the mouth, nose, chin, shoulder, barrel, flank or hip area, must be considered abuse regardless of how the injury was caused.

Tabulation for Final Standings/Preliminaries

Placed Classes: In placed classes that require preliminary rounds, each judge will place up to 11 horses from each preliminary round. The numerical scores for placing will be determined using the following scale:

| | |
|----------------------|----------------------|
| 1st Place—120 Points | 9th Place—28 Points |
| 2nd Place—105 Points | 10th Place—21 Points |
| 3rd Place—91 Points | 11th Place—15 Points |
| 4th Place—78 Points | 12th Place—10 Points |
| 5th Place—66 Points | 13th Place—6 Points |
| 6th Place—55 Points | 14th Place—3 Points |
| 7th Place—45 Points | 15th Place—1 Point |
| 8th Place—36 Points | |

In preliminary rounds, the highest and lowest placing of each horse will be discarded determining the total combined points. A specific number of horses (as determined by the total number of entries in the class) with the highest total combined points under judges will return to the semi-finals or finals. A minimum of 15 horses will be brought back to the finals. (Exception: Showmanship, Horsemanship, Equitation and Pleasure Driving). If cuts are necessary, there will be a specific number of cuts, taking a specific number of horses out of each cut to result in a minimum of 15 horses returning to the finals. Placings from preliminary rounds or semi-finals will not be considered in determining World Champions.

In the finals, judges will place 15 horses. World Champions will be determined by discarding each horse's highest and lowest placing. The three remaining placings will then be totaled using the accompanying scale. The horse earning the highest number of points will become the World Champion, second-highest will be Reserve World Champion, etc.

Scored Classes: In preliminary rounds, the highest and lowest score of each horse will be discarded determining the total combined score. A minimum of 15

horses— from each preliminary round— with the highest total combined points under judges will determine the entries for the semi-finals or finals. Scores from preliminary rounds or semi-finals will not be considered in determining Open/Amateur World Champions.

In the finals, judges will place 15 horses. Open/Amateur World Champions will be determined by discarding each horse's highest and lowest score (a "no score" is considered a low score). The three remaining scores will then be totaled. The horse earning the highest combined score will become World Champion, second highest will be Reserve World Champion, etc.

Pattern Classes: In Showmanship, Western Horsemanship and Hunt Seat Equitation, patterns will be scored. The highest and lowest placing of each exhibitor will be discarded determining the total combined points. A specific number of exhibitors with the highest total combined points under judges will return to the semi-finals or finals. There will be no less than 15 horses in the finals.

Classes with less than 30 entries will be completed in their entirety in the time slot designated for the preliminaries. No finals will be held. Preliminary pattern will be used in this instance.

Classes with 77 or more entries will have semi-finals to determine a minimum of 15 finalists.

The following chart outlines the number of entries selected for the finals based on the total number of entries in the class.

| Entries | # Cuts | Semi-Finalists/ Finalists |
|---------|--------|------------------------------|
| 30-44 | 2 | 16 to Finals |
| 45-66 | 3 | 18 to Finals |
| 67-76 | 4 | 20 to Finals |
| 77-86 | 4 | 24 to Semi-Finals |
| 87-110 | 5 | 25 to Semi-Finals |
| 111-120 | 6 | 30 to Semi-Finals |

Portable Cooling Systems/ Electrical Requirements

For stalling, please follow these guidelines provided by the WRMC staff:

- The only portable water-cooled fans allowed must meet the power requirements outlined below and have a self-contained water source. The larger fans that require a continuous water source and have higher power requirements may be used in the Multi-Purpose and Moncrief stall area only.
- There are 5 amps of power available to every stall in the Richardson-Bass and Burnett Buildings. This will basically accommodate one box fan. Multi-plug devices will not be allowed (i.e. plug strip). Only one cord may be plugged into each single outlet. Only extension cords with appropriate GFCI protection will be allowed. Extension cords and power strips may not be used to operate multiple appliances simultaneously.
- No small air conditioners, heaters, or margarita machines are allowed in the stalling areas. We have limited electrical use; we must provide power to all exhibitors for fan use. If a small air conditioner or heater is reported, it will be turned off immediately and the owner will be asked to remove it.
- Post hydrants are available for exhibitor use at the end of each row of stalls. These may not be left on indefinitely. They must be turned off after each use. They may not be con-

nected to portable water-cooled fans, misting systems, etc., which require a continuous water supply.
