Required Health Documents

To comply with state animal health regulations and to ensure the health of your horse, the following requirements will be strictly enforced for all horses at the APHA World Show.

- **Check-in will be conducted from November 6 through November 17 in the Stall Office or Horse Show Office.** All horses must have their health certificates and Coggins papers checked.
- All horses must have a:
 1. Negative Coggins (Equine Infectious Anemia) dated no earlier than November 17, 2011. (Exception: Sale horses must have a Negative Coggins test issued no earlier than May 12, 2012.)
 2. Health Certificate issued no earlier than October 19, 2012, by a licensed veterinarian from the state of origin. (Exception: Sale horses must have a Health Certificate issued no earlier than October 28, 2012.)
- These documents will be checked upon arrival at the show office or stall office.

Make sure the veterinarian uses registered names on the health and Coggins certificates rather than “barn names.” If current Coggins, health papers and or a copy of the original Certificate of Registration are not available, the horse will not be allowed to compete and entry fees will be forfeited. All horses are subject to inspection by the Show Veterinarian or State Veterinarian at any time or if suspected of harboring a communicable disease.

The American Paint Horse Association recommends that horses being brought to the World Show be vaccinated for West Nile Virus. Additionally, owners of horses should ask their veterinarians about a booster shot for West Nile Virus.

It is important to remember that vaccines that protect your horse against Western, Eastern and Venezuelan equine encephalitis do not protect against encephalitis caused by West Nile Virus. If you vaccinate against Western, Eastern and/or Venezuelan encephalitis, you should vaccinate against West Nile Virus, as well. Consult your veterinarian to set up a vaccination schedule appropriate for your horse.

APHA Mission Statement

Our mission is to collect, record and preserve the pedigrees of American Paint Horses, and to stimulate and regulate all matters that pertain to the promotion, history, breeding and exhibition of this breed.

Our success depends upon our ability to provide fiscally responsible and efficient services to our members.

We aspire to excellence in record-keeping, reporting, recruiting, educating and supporting our membership, so that we may inspire confidence and create in them a desire to use our services.

We serve both the breed and our members by being ever-aware of the industry and market, and of the needs, opportunities and challenges of our members.

We Value:

- The American Paint Horse and those people who treat them gently, humanely and with respect.
- The unique skills and talents of our members.
- The equine industry and working with other organizations to achieve shared goals and ideals.
- Those who conform to accepted form-to-function conformation standards, which contribute to the breed's versatility.
- All programs and services that promote a rich family life for our members and encourage leisure activities, recreation and fun.
- Long-range planning, sound financial policies and continued investment in the future of APHA.

We Strive:

- To keep comprehensive and accurate records in all activities.
- To increase public awareness of the breed.
- To record, maintain and disseminate information on an international scale.
- To remain accountable to our members by communicating our actions, programs and progress on a regular basis.
- To serve as a liaison and speak boldly, clearly and persuasively on behalf of the breed and our members.
- To monitor industry trends through input from directors, regional clubs and members.
- To evaluate APHA's current programs and predict future needs.
- To assist and be accessible to our members.
- To perform our duties in a timely and efficient manner.

Sportsmanship Rules

“For when the One Great Scorer comes to mark against your name, he writes—not that you won or lost—but how you played the game.”
(Grantland Rice)

One of the primary objectives of the American Paint Horse Association is to encourage high moral character and good sportsmanship among its members while at the same time inspiring exemplary conduct in all phases of competition and instilling a sense of fairness and responsibility for the rigors of showmanship as well as the greater issues of life.

Negative conduct, including harassment, bullying, or any other form of unsportsmanlike conduct will not be permitted by the APHA, and any person engaging in such action or conduct will be disciplined to the full extent permitted by the APHA rules. Unsportsmanlike or irresponsible conduct or any other form of misconduct that is illegal, indecent, profane, intimidating, threatening, harassing or abusive is prohibited. The APHA will not tolerate such behavior and violators will be excused from competition and/or removed from the show grounds and are subject to further disciplinary action.

Anti-Bullying Statement

Everyone has the right to work and show in an environment free from harassment or bullying where they feel safe. The stress placed on targets of bullying have far reaching effects on the emotional health and well being of the victims and on the organization in which it occurs. Bullying can be physical, verbal, written, cyber acts or merely psychological. Incitement of others to such acts is also bullying. THE APHA EXPRESSLY PROHIBITS THE BULLYING OF ANY PERSON BY ANY MEANS AT ANY APHA FUNCTION OR APHA RELATED FUNCTION.

Good Sportsmanship Rules

Good sportsmanship is about playing by the rules, discipline, respect and self-control. Good sportsmanship is not just what you do in the arena, but the way you conduct yourself both in and out of the arena.

1. The “Golden Rule” – Do unto others as you would have others do unto you. Show respect for your opponents if you expect it yourself.
2. Have an understanding and an appreciation of the rules. The spirit of good sportsmanship depends on conforming to the intent of the rules.
3. Enjoy yourself and encourage enjoyment for others.
4. Take responsibility for your actions.
5. Recognize and appreciate good performances, especially by the opponent.
6. Respect the integrity and judgment of the judges and show officials.
7. Expect proper behavior from your teammates, trainers, family and friends.
8. Accept both victory and defeat with pride and compassion.

APHA Animal Welfare Statement

APHA is committed to the humane and proper treatment of all animals. In this respect:

- The welfare of the animal is the primary consideration in all activities.
- Animals will be treated with kindness, respect and compassion at all times.
- Responsible care will be used by all parties in handling, treatment and transportation of animals.
- Horsemen and -women, as owners, exhibitors or trainers, will ensure the health and well-being of animals in their care at all times.
- The standard by which conduct or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted animal husbandry standards and equine care, training and exhibition procedures, would determine to be neither cruel, abusive, nor inhumane.

Based on these principles, the Association has developed and enforces strict rules to ensure ethical competition and humane treatment of American Paint Horses.

The Association supports the development of procedures that assure equity, fairness, safety, health and welfare for all participants.

Because the Association is strongly opposed to animal abuse, any member convicted in a court of law of cruelty to animals may be suspended from APHA when certified evidence is presented to the Executive Committee. Further, APHA reserves the right to excuse from further competition and/or remove from the grounds any person who fails to abide by this animal welfare statement and/or any animal whose welfare is under question by APHA.

Reminders/Changes

Registration Certificates:

- A copy of the original Registration Certificate will be needed to pick up your exhibitor packet. Originals are no longer required.

Solid Paint-Bred Classes:

- Parentage verification is no longer required for Solid Paint-Breds to be eligible to show.

Classes Held As Scheduled:

- No classes scheduled will be combined or cancelled. All classes will be held as published, except as otherwise stated under Preliminaries and Tabulation for Final Standings/Preliminaries.

Class Cancellation:

- Beginning in 2010, a class will be held for a minimum of three years before it will be considered for cancellation. If after three years, a class does not meet the six entry minimum requirement, it will be considered for cancellation in subsequent years.

Exhibitor Substitutions:

- Exhibitor substitutions will be accepted in all classes (unless otherwise specified), but must be reported to the Horse Show Office prior to the class entering the arena. No exhibitor changes will be accepted at the announcer's stand or paddock. See Substitution Policy for complete rules.

Back-to-Back Classes:

- If you are entered in back-to-back classes and feel this will cause a time constraint, you may inform the show office by 5 p.m. the day prior to the classes and request a change in the order of go to allow more time to prepare. If possible, show management will then adjust your working order. See Working Order for complete details.

Splits in Pattern Classes:

- Any pattern class (Showmanship, Western Horsemanship and Hunt Seat Equitation) will be held with "splits." Each split will have no more than 22 horses per split. The highest and lowest placing of each exhibitor will be discarded determining the total combined points. A specific number of exhibitors with the highest total combined points under judges from all splits combined will return to the semi-finals or finals. An equal number of exhibitors will not necessarily be selected from each split. There will be no less than 15 horses in the finals. See Tabulation for Final Standings/Preliminaries for complete details.

Entry Declaration:

- All entrants in the 2-Year-Old Western Pleasure, 2-Year-Old Hunter Under Saddle, 3-Year-Old Western Pleasure, 3-Year-Old Hunter Under Saddle, 3-Year-Old Hunter Under Saddle Challenge and 3-Year-Old Western Pleasure Challenge must declare they will be exhibiting in their class by 5 p.m. the day prior to the class in order for the classes to be cut properly and the working order posted. All entries not included in the working order as posted will not be allowed to show.

Judges Video Review:

- Judges will automatically video review runs in scored classes that lack concurrence when major penalties, disqualifications, zero scores or "no scores" are involved or when a judge requests a review in Showmanship, Hunt Seat Equitation or Horsemanship. Judges will only review the maneuvers where a lack of concurrence exists between the judges and only that penalty score can be changed. Lack of concurrence between non-major penalties will not be reviewed and cannot be changed once submitted.

No judge shall be required to change his/her score following a video review. Each judges' decision is an individual call.

The following classes will be reviewed: **Cutting** classes will be reviewed for lack of concurrence on 3 and 5 point penalties using the NCHA Adjusted Monitoring System.

Reining classes will be reviewed for lack of concurrence on 5 point penalties and scores of 0;

Working Cow Horse classes will be reviewed for lack of concurrence on 2, 3 and 5

point penalties and scores of 0; **Trail and Western Riding** classes will be reviewed for lack of concurrence on 3 and 5 point penalties and scores of 0.

World Show Participation Qualification Requirement

Regional Clubs are the heart of the APHA, and support of these grassroots clubs is vital to the growth of the Paint Horse industry. APHA's qualifying is strictly participation-based, and on the horse only. To verify if your horse is qualified for the World Show, please check the aphaworldshow.com website and click on "Qualifiers" on the bottom right of the menu.

Qualification Criteria:

1. All horses (Regular Registry and Solid Paint-Bred) must qualify to participate at the World Championship Paint Horse Shows. (See #5 for exceptions.) In order to qualify to compete at each World Show, all horses must compete

APHA World Championship Show, continued

at four (4) different APHA-approved show events, with a minimum of eight (8) judges total during the qualifying period. Horses may be shown in any state to qualify, regardless of residence, to qualify – participation is the key.

a. No single show activity can create more than two (2) show events at any given time.

Examples:

- A two-day, two-judge show held Saturday and Sunday counts as one show event.
- Two back-to-back two-judge shows count as two events total.
- A four-judge POR counts as one show event.
- Two back-to-back four-judge PORs count as two show events.
- A 4-judge POR back-to-back with a 4-judge POR back-to-back with a 2-judge special event counts as a maximum of two show events.
- In all cases, the total number of judges may be counted towards the minimum judge requirement.

Special events held with APHA dual-approval (i.e. an NRHA reining with APHA dual-approval or NSBA classes with APHA dual-approval, etc.) count toward the qualification requirements. Paint Alternative Competition-approved events do not count toward qualification. The World Shows do not count toward qualification.

Note: All owners must be APHA members at the time of the show in order for that show to count towards the show requirement for qualification.

2. Qualification period:
 - a. Youth World Show – qualifying period is from April 1 through March 31 of the World Show year.
 - b. Open/Amateur World Show – qualifying period is from August 1 through July 31 of the World Show year.
3. Horses are not required to qualify in specific events in any division. Any qualified horse may be shown in any class at the World Show in any division

in which they are eligible. Horses will show in their appropriate age division at the World Shows, regardless of the qualifying division.

4. Exhibitors are not required to qualify. Any exhibitor may show any qualified horse in any class at the World Show in any division. Amateur and Youth eligibility and ownership rules apply.
5. Horses being shown only in the following classes are not required to qualify due to time restraints and age of horse.
 - Weanling halter
 - Yearling halter
 - Yearling Longe Line and Yearling In-Hand Trail
 - Two-year-old performance horses
 - Three-year-old performance horses

Note: Additional exceptions will be determined by zone, based on classes not offered during the qualifying year in the owner's zone. Exemption will be granted to horses whose owners reside in that zone only in the classes that were not held. If a horse is qualified by the exemption, the horse must be entered in that class to be eligible to compete at the World Show. Example: roping, cutting, over fences, etc. in certain areas.

6. Specialty classes (including Youth Leadline, Parents Western Pleasure, Challenge, Sweepstakes, Slots, Introductory, Fun and futurity classes) do not require horse qualification to enter; although if regular classes are also to be entered, then the horse must qualify.
7. At no time will the number of points or lack thereof be considered for qualification. Participation at APHA-approved shows is the only basis for qualification.

For more information, please contact the APHA Performance Department at (817) 834-2742, extension 773.

APHA World Championship Show, continued

Tobiano Halter Classes

These classes are World Championship Classes and will be awarded World Championship titles and APHA points. Horses may only be entered in either the open halter class or the Tobiano halter class. The same horse cannot be entered in both classes.

Intermediate Exhibitor Recognition

Beginning this year, APHA will expand our Open and Amateur exhibitor recognition by offering special awards to the top five Intermediate Exhibitors in select World Championship classes.

Eligibility: An Intermediate Exhibitor is an exhibitor who has never placed in the Top 5 at the APHA World Show in the particular class (any and all divisions) in which they are competing. Intermediate Exhibitor status is based only on an exhibitor's lifetime, combined World Show record, not on the number of points he/she has accumulated.

Entry Fee and Deadline: Separate Intermediate Exhibitor Division Entry Form must be completed, but no additional entry fee is required. Exhibitors must declare they are eligible for the Intermediate Division by 5 p.m. the day before the class in order to be eligible for this special recognition.

Awards: Recipients will be named Intermediate World Show Champion and Intermediate World Show Reserve Champion.

Classes: Intermediate Division recognition to be offered in the following classes:

Amateur—Classic & Masters—18 classes

- Showmanship
- Horsemanship
- Hunt Seat Equitation
- Hunter Under Saddle (Jr. & Sr.)
- Western Pleasure (Jr. & Sr.)
- Trail
- Western Riding

NSBA Approved Classes

All eligible classes are NSBA approved. In order to be eligible, the owner and exhibitor must be current NSBA members and pay a \$25 entry fee per class (no late fees apply). Separate entry form must be completed. Classes must be entered by 5 p.m. the day before class is scheduled.

NRHA Approved Classes

All reining classes are NRHA dual-approved. In order to be eligible, the horse must have a competition license in the current owner's name and both the owner and exhibitor must be a current NRHA member. No additional entry fee is required. See the Horse Show Office for more details.

Reining Paid Practices

Paid practices for Reining will be offered to horses entered in the World Show. A maximum of 25 entries will be accepted per class on a first-come basis, as determined by postmark. These general conditions apply to all APHA Challenge and Sweepstakes Programs unless otherwise stated in the class conditions. For any situation(s) not covered in these rules, please refer to the Horse Show Rules beginning on page 66 and/or the current *APHA Rule Book*. All exhibitors and owners must be current members of the American Paint Horse Association.

Conditions

Rules Governing Competition

Challenge or Sweepstakes entries may be shown prior to the Challenge or Sweepstakes classes. All official rules of the APHA or World Show Premium Book will apply to Challenge and/or Sweepstakes classes.

In the absence of a specific rule and/or conditions not covered by the Premium Book, the final decision will be governed by the Executive Director and/or the APHA Executive Committee, and all decisions will be final.

Failure to comply with all rules will cause all fees, awards and earnings to be forfeited and entry to be disqualified.

Verification of Exhibiting

All entrants in the 3-Year-Old Hunter Under Saddle Challenge and the 3-Year-Old Western Pleasure Challenge must declare they will be exhibiting in their class by 5 p.m. the day prior to the class in order for the classes to be cut properly and the working order posted. All entries not included in the working order as posted will not be allowed to show.

Original Registration Papers

Original registration papers or copies are required to compete. Owners or handlers of Challenge and Sweepstakes horses will be required to present original registration papers or photocopy to pick up entry packets.

Change of Ownership

An entry may change ownership and retain eligibility under the new owner. Entry

payments must comply with the payment schedule. See Transfer Policy on page 2.

Checks to the Winners

All prize money will be paid by checks made payable to the recorded owner at the time class placings are awarded (exceptions: prize money earned in Slot classes are paid to the recorded Slot owner). After the results of all drug tests are received, the checks will be mailed from the APHA office within 60 days.

Exhibitor/Horse Combination

The same exhibitor must show the same horse under all the judges in a class, including preliminaries and finals. Any changes in the exhibitor in between preliminaries and finals may be made only due to accident or illness of the exhibitor and with permission of the Show Management.

Electronic Devices

Exhibitors using electronic devices or two-way communication devices inside the show arena or show ring shall be automatically disqualified unless assistance is necessitated under provisions of Rule SC-160.F. and approval by the Executive Committee has been granted.

Tack and Attire

Exhibitors must be required to drop headstalls to be viewed by an appointed representative. Tying or fastening a horse's mouth is cause for disqualification. Refer to the *APHA Rule Book* for appropriate attire and tack.

Note: Three-Year-Old Western Pleasure horses are to be shown in either an acceptable snaffle bit or hackamore only. See Rules SC-245.B and SC-240.D-E.

Judging

The Western Pleasure and Hunter Under Saddle Challenge and Sweepstakes classes will be judged in one go-round.

World Show Challenge, Sweepstakes & Jackpot Classes, continued

Four judges will be used dropping the low score or placing to determine the final placings of the class, unless specified otherwise. If cuts are necessary, there will be a specific number of cuts, taking a specific number of horses out of each cut to result in a minimum of 15 horses going back to the finals.

Payouts

The total purse for each Challenge and Sweepstakes class will be the sum of all entry fees (excluding the office charge), partial payments, penalty payments and the money added by Show Management.

THE OFFICIAL SUPPLEMENT OF THE APHA WORLD CHAMPIONSHIP SHOW

Stall Information

Every horse entered in the World Show must have a stall with the exception of those that have paid a grounds fee.

Reserving Stalls

Reservations will be officially accepted beginning September 10. Reservations received prior to that date will be accepted and given the "postmark" date of September 10. Whether the reservation is made by mail, fax or in person- all submissions will be treated equally. Likewise, the time of day the form is received will make no difference.

The entry form and stall reservation form are available for download at aphaworldshow.com.

In order to secure a previously held location, your stall reservations must be postmarked on or before September 10.

Payment by check, credit card or cash is required at the time of entry. Reservations received without payment will not receive a postmark date and will be returned unprocessed. Payment is deposited upon receipt, but does not guarantee assignment to a requested stall area.

Stalls will be assigned through a lottery, based on postmark date and priority. The lottery system will continue assigning stalls by the date the reservation is postmarked, through the duration of the show. In terms of priority, no difference will be made whether an exhibitor comes for a portion of the show or stays for the entire event.

Stall assignments will be based on the stall locations previously established at the 2011 World Show. The following is the order stalls will be assigned:

- Returning individuals whose reservations are postmarked September 10 and are requesting their established location. However, if more stalls are needed, it may be necessary for that exhibitor to move to a different area or have two separate stalling areas.
- Returning individuals whose reservations are postmarked September 10, but do not have their established stall location available (stalls that do not exist at the Open/Amateur World Show), will be given preference for the remaining preferred stall locations.

- Returning individuals whose reservations are postmarked September 10 that request a new location.
- New requests/individuals whose reservations are postmarked September 10.
- Reservations postmarked after September 10 will be assigned in order by postmark date.

Those wishing to be stalled with trainers or another exhibitor must send in their stall reservations together. Stalls will be reserved under the name of the person making payment.

A confirmation statement, which indicates the building where the stalls are located, will be mailed around the middle of October. Stall numbers will be given by the stall office staff upon your arrival at the show grounds. The stall office will be located in the Moncrief Building and will be staffed 24 hours a day beginning November 5, 2012 at 8 a.m.

Tack and Other Stall Rules

If ordering a tack stall for more than one person, all tack stalls must be paid for by one exhibitor. Stalls may be used only to house horses and tack. **Any other commercial uses are strictly prohibited.**

While fans are allowed, for safety reasons air conditioners are prohibited in the stalling area. Also, any fabric or paper used or draped in stalls must be fire-resistant or treated with a flame retardant.

Any damage to stalls will be the financial responsibility of the owner/exhibitor/trainer.

Stall(s) cannot be resold unless the sale is approved by the Show Management.

Bedding

Bedding is not included in the stall fee and must be purchased from the Will Rogers Memorial Center. The cost for shavings is \$6.50 per small bag, \$12 per large bag.

Shavings will be for sale through the WRMC Shavings Office located in the Moncrief Building adjacent to the APHA Stall Office. Will Rogers Memorial Center staff will deliver shavings to stall areas. Bedding must be purchased on the grounds.

Stall Information, continued

As a service to expedite move-in, advance bedding orders will be accepted by the APHA. Complete the Advance Bedding Order portion of the Stall Reservation Form to place your order with the APHA. All advance bedding orders must be placed by October 26 and must be paid for at the time of ordering.

Panel Removal

Panels in stalls in the Richardson-Bass and Burnett buildings may not be removed. In all other barns, a fee of \$15 per panel that is removed will be charged.

Soiled Bedding

Exhibitors are required to keep their stalls clean and neat, to dispose of refuse matter in designated dump areas, and remove all items and materials erected by them, including tack, stall decorations and all signs.

Stall Decorations

Please limit end-of-aisle decorations to 42 inches deep and allow at least a 7-foot height clearance over aisles for equipment. WRMC asks that a covering, such as plastic, be placed underneath any groundcover or plants. Decorations must be attached using temporary setups, such as wire or plastic ties, and removed prior to moveout. The following may NOT be used: nails, liquid nail, bolts, screws, rubber cement, etc. Any damage to stalls will be the financial responsibility of the owner/exhibitor/trainer. Any fabric or paper used or draped on stalls must be fire-resistant or treated with fire retardant.

Making Changes

Changes to stall reservations are possible if you are flexible. If you reserve stalls for a portion of the show and later decide to come early or stay late, it may be necessary for you to move to another area to accommodate your request. If you change trainers, every attempt will be made to put you in the same barn. Finally, if you decide to cancel your stall reservation prior to October 15, you are entitled to a refund of the horse's stall fee, minus 20% per stall office fee. Absolutely no stall fees will be refunded after October 15.

Stall Fees

Stall Availability: November 5-18, 2012 (noon). Stalls are reserved by length of stay. Shavings are not included. Will Rogers Memorial Center stabling will not be available until 8 a.m., Monday, November 5.

Stalls are located primarily in the Richardson-Bass Building, Burnett Building, Moncrief Building, and the new Equestrian Multi-Purpose Building. Cattle barns will be used if additional space is needed. Day stalls are located throughout any of the above barns.

Entire Show

November 5-18 - \$275

Late Fee - \$25/stall

Stall reservations must be postmarked by September 10, 2012 in order to avoid late fees. All stall reservations postmarked after September 10, 2012 will be assessed a \$25/stall late fee (excluding day stalls).

Day Stalls

\$50 (per horse/24 hour period).

Grounds Fee

Exhibitors that wish to haul in and out for the day have the option of paying a grounds fee of \$50 per horse instead of stalls if desired. If an individual wishes to purchase a stall after paying the grounds fee, an additional \$25 for the first day will be charged per stall. Any additional day stalls will be \$50 per stall per day.

Early Move-in

Due to the limited amount of time available for move-in prior to the first day of showing, we will be unable to offer an early move-in at this show. Horses may move-in beginning at 8 a.m. on Monday, November 5. Advance bedding orders will be accepted to expedite move-in. Sportsmanship/Conduct

“For when the One Great Scorer comes to mark against your name, he writes—not that you won or lost—but how you played the game.” (Grantland Rice)

One of the primary objectives of the American Paint Horse Association is to encourage high moral character and good sportsmanship among its members while at the same time inspiring exemplary conduct in all phases of competition and instilling a sense of fairness and respon-

sibility for the rigors of showmanship as well as the greater issues of life.

Negative conduct, including harassment, bullying, or any other form of unsportsmanlike conduct will not be permitted by the APHA, and any person engaging in such action or conduct will be disciplined to the full extent permitted by the APHA rules. Unsportsmanlike or irresponsible conduct or any other form of misconduct that is illegal, indecent, profane, intimidating, threatening, harassing or abusive is prohibited. The APHA will not tolerate such behavior and violators will be excused from competition and/or removed from the show grounds and are subject to further disciplinary action.

Anti-Bullying Statement: Everyone has the right to work and show in an environment free from harassment or bullying where they feel safe. The stress placed on targets of bullying have far reaching effects on the emotional health and well being of the victims and on the organization in which it occurs. Bullying can be physical, verbal, written, cyber acts or merely psychological. Incitement of others to such acts is also bullying. **THE APHA EXPRESSLY PROHIBITS THE BULLYING OF ANY PERSON BY ANY MEANS AT ANY APHA FUNCTION OR APHA RELATED FUNCTION.**

Good Sportsmanship Rules: Good sportsmanship is not just what you do in the arena, but the way you conduct yourself both in and out of the arena.

1. The “Golden Rule” – Do unto others as you would have others do unto you. Show respect for your opponents if you expect it yourself.
2. Have an understanding and an appreciation of the rules. The spirit of good sportsmanship depends on conforming to the intent of the rules.
3. Enjoy yourself and encourage enjoyment for others.
4. Take responsibility for your actions.
5. Recognize and appreciate good performances, especially by the opponent.
6. Respect the integrity and judgment of the judges and show officials.
7. Expect proper behavior from your team-

mates, trainers, family and friends.

8. Accept both victory and defeat with pride and compassion.

APHA

Employees/Contract Labor: Any full time person employed by APHA, or contracted for any portion of the horse show, or any of their legal wards, are ineligible to exhibit in any portion of the Youth or World Show.

Final Interpretation of Rules

The FINAL RIGHT to settle all questions or disputes arising during the Horse Show is reserved by the Show Management and all exhibitors, trainers, riders, or other participants therein, as a condition of admission, give unqualified consent to such methods of settlement and agree in advance to be bound thereby. In the absence of a specific rule and/or conditions not covered by this Premium Book, the final decision will be governed by the Executive Committee, and all decisions are final. Failure to comply with all rules will cause all fees to be forfeited and entry to be disqualified.

All rules listed within this Horse Show Rules section pertain to every class of the Youth or World Show, including all Challenge and Sweepstakes classes.

APHA Rule Variances

SC-110.I - Line up and announce placings through 6th place under each individual judge. Placings for each individual judge in jumping, cutting and timed events are not announced or lined up.

SC-175.K.4 - Grand and Reserve Champions are not awarded in halter.

Liability

See APHA Rule GR-045 and GR-050. This release of liability includes the Chamber of Commerce and the Horse Show Facility, the City Government and their officers and directors. Officials and employees will not be responsible for any accident that may occur to, or be caused by, any horse exhibited at the World Show, or for any article of any kind or nature that may be lost or destroyed, or in any way damaged. Each exhibitor is responsible

for any injury that may be occasioned to any person or animal, or damage to any property while on grounds, by any horse owned or exhibited by or in his or her custody or control, and to indemnify and hold harmless the American Paint Horse Association, Chamber of Commerce, the City Government, the Horse Show Facility, or any other sponsoring organization, if any, from and against all claims, demands, cause of accident, injury, or damage to person or property caused by the ownership exhibition or custody, or control of any animal exhibited.

The APHA reserves the right to cancel, re-schedule or rearrange any class or event, or part thereof, when such action is necessitated by an act of God, or other event or circumstance that is beyond the control of show management. The APHA will not be liable to any person or entity for damages of any kind whatsoever, which relate in any manner to, or arise out of, such cancellation or rescheduling.

APHA Awards

In order for a Paint Horse to receive an APHA award, the owner and the exhibitor must be an APHA member on the date the award is bestowed. Such awards include, but are not limited to, certificates, plaques or trophies. All awards must be picked up by the last day of the show. **No awards will be mailed.**

APHA Points

Five sets of APHA points will be given in all APHA-approved Youth, Novice Amateur, Amateur and Open events offered. APHA points will be awarded based on each of the judges' final placings.

Amateur/Novice Amateur Eligibility

An Amateur or Novice Amateur exhibitor must have a current APHA Amateur/Novice Amateur Card and must meet the ownership requirements. See Rules AM-010, AM-015, AM-020, AM-205 and AM-210.

Arena Gate Calls

All horses must be ready and waiting in the paddock so they may enter the show arena promptly when called.

In classes in which an order of go has been posted, entries not entering the arena for judging in their posted order of go are considered to have missed their class and will not be allowed to enter the arena to compete.

In classes in which a time limit has been given to enter the arena, entries not in the arena at the expiration of that time limit are considered to have missed their class and will not be allowed to enter the arena to compete.

By action of the APHA Executive Committee, the time limit of final gate calls is one minute and this will be publicly announced.

Late exhibitors will not be admitted into the arena once the gates have been closed and the judges have started to judge. See Rules SC-175.B and SC-185.C.

Breaks

If time permits, any break(s) will be announced daily by the announcer.

Cancelled Classes

Beginning in 2010, a class will be held for a minimum of three years before it will be considered for cancellation. If after three years, a class does not meet the six entry minimum requirement, it will be considered for cancellation in subsequent years.

Cash-Only Members/Customers

The APHA policy regarding advance payment by certified funds will be in effect during the World Show for those

members previously notified or as warranted by APHA.

Check Cashing Policy

The Horse Show Office is unable to cash checks at any time during the show.

Class Procedures

The APHA has established class procedures to benefit the majority of exhibitors participating, within the limits of the available budget, manpower and time.

Commercial Exhibit Information

Exhibitors will not be allowed to sell retail items for their stall locations. Exhibitors wishing to sell retail items must purchase gift show space from the APHA, pay all applicable fees and are subject to abide by a contractual agreement between the APHA and said vendor. Any individual found selling commercially will be fined \$650.

Cutting Events

These classes will be judged in accordance with current NCHA rules.

Tiebreaking rules will be handled in accordance with the *APHA Rule Book* and/or this Premium Book.

Drug testing procedures will be handled in accordance with the *APHA Rule Book* and/or this Premium Book.

The Show Management reserves the right to pre-settle all cutting cattle in order to expedite the show schedule.

DNA Testing

All class winners and other randomly selected entries will be DNA-tested at the total discretion of Show Management and at the expense of APHA.

Disqualification

Any exhibitor, horse or owner disqualified from a class for any reason will not receive a refund. When disqualification by the Show Management, Judges or any Show Official occurs, the decision is final. In addition to other disqualifications as outlined in the rules and regulations contained in the *Official APHA Rule Book*, judges

Horse Show Rules, continued

(including equipment judges) and/or show management shall have the authority to disqualify entries for illegal equipment, inhumane treatment or the presence of blood on the horse. Judges and/or show management may disqualify an exhibitor and/or horse from competition for any condition considered unsafe. See Rule SC-160.1.2.

Drug and Processing Fee

There will be a one-time \$35 administrative charge, which includes the drug-testing fee, for each horse entered. This fee is assessed only one time per horse regardless of the number of classes in which the horse is entered, including Slot and Breeders' Futurity Classes and is non-refundable.

Drug Testing

A horse cannot be shown in any class if that animal has been administered a prohibited substance in any manner. Prohibited substances are those set forth in the current *APHA Rule Book*. See Rule SC-085. A medication report must be filed with Show Management (in accordance with the rule) when conditionally prohibited substances are used.

Tests (urine and/or saliva and/or blood) for medication shall be made in compliance with the current *APHA Rule Book* in any event, at the total discretion of the judge(s), veterinarian(s), Show Steward(s) or Show Management.

Electronic Devices

Exhibitors using electronic devices or two-way communication devices inside the show arena or show ring shall be automatically disqualified unless assistance is necessitated under provisions of Rule SC-160.F. and approval by the Executive Committee has been granted.

Entries

All entries must be made on printed forms furnished by the APHA (copies of the printed forms will be accepted), signed by the proper parties, and accompanied by all entry fees, drug and processing fees and a completed W-9 for the current owner or in the case of

multiple owners, that of one of the current owners listed on the Certification of Registration. One entry form is required per horse.

Exhibitors are responsible for any errors on their entry forms. Entries lacking sufficient information or not accompanied by all required fees will not be accepted. **Entries and/or any changes to entries must be submitted in writing.** Entries and/or any changes to entries will not be accepted by telephone. The APHA is not responsible for lost or late entries.

The IRS requires the APHA to obtain the correct taxpayer identification number (TIN) for persons for whom we have to file an information return (i.e. 1099-Miscellaneous for premium payback). The social security number listed on this form should be that of the current owner or in the case of multiple owners, that of one of the current owners listed on the Certificate of Registration. No other social security number is acceptable. If the correct TIN is not provided, subsequent payments can be subject to backup withholding per IRS regulations. Payout checks will not be issued until the APHA has a W-9 on file for all persons receiving these checks. This information must be provided to the APHA regardless of the age of the owner. Your exhibitor packet will be held if this form is not submitted.

Social Security numbers must be provided for individuals. If the horse is owned by an individual versus a farm/ranch, taxpayer identification numbers for businesses will not be accepted in lieu of a social security number for the individual owners. International residents must complete IRS Form W-8BEN.

Exhibitors are responsible for verifying that entries have been received in the APHA office. If you fax entries, please DO NOT send the originals in the mail. If you fax entries or stall reservations, please keep a copy of the fax transmittal for proof of date and time faxed.

Entry Deadline

All pre-entries must be postmarked by September 10, 2012 in order to pay

Horse Show Rules, continued

pre-entry fees. Entries will be accepted after this date with a post entry fee. Post entries must be made by 5 p.m. the day prior to when the class to be entered is scheduled. No expectations will be made.

Only postmarks from an official U.S. Post Office are acceptable (postal meters are not acceptable) and used in determining any and all deadlines regarding entries, cancellations, etc. Any entry deadline that falls on a day the U.S. Post Office is not open for business shall be due as follows:

- A postmark on or before midnight of the next business day immediately following the entry deadline is acceptable.
- Postmark dates on registered or certified mail will be accepted.

Entry Numbers

To ensure that your placings are accurate, it is essential that the correct entry number is used for all classes. Failure by exhibitor to display the correct number and in a visible manner while being judged shall result in disqualification from the class. See Rule SC-160.H.

Entry numbers will be assigned to each horse, not the exhibitor. This number will be used for all classes in which the horse is entered. In the event a horse is entered in more than one division (open, amateur or youth), only one entry number will be issued for each horse.

Entry numbers must not be altered, cut or folded. Handling entry numbers in that manner will result in the exhibitor being excused prior to the judging. Note: Horses must be positively identified prior to laminating of entry numbers.

- In Halter classes - Entry numbers must be worn on the exhibitor's back.
- In Western and English classes - Entry numbers must be worn on both sides of the horse. Exception: Cutting entry numbers must be worn on one or both sides of the horse.
- In Over Fence classes - Entry number must be worn on the exhibitor's back. Exception: Hunter Hack.
- In Pleasure Driving and Utility Driving

classes - Entry number must be displayed on both sides of the cart.

Equipment Judge

An equipment judge(s) shall be employed by and be a representative of the APHA. The equipment judge shall be responsible for attire and equipment rule interpretations. Final interpretations are the responsibility of show management. All bits, tack, appointments, and attire shall be checked by the equipment judge prior to entering the arena. Any equipment considered to be inhumane or illegal by the official equipment judge must be removed or entry into the arena will be denied. The equipment judge may disqualify an entry for illegal equipment or attire, inhumane treatment or the presence of blood on the horse.

The equipment judge(s) shall have the authority to call for a blood and/or urine test on any horse.

The equipment judge(s) may serve as an official alternate judge at the discretion of show management.

Exercise Schedule

Daily availability of the John Justin Arena, W.R. Watt Arena and Will Rogers Coliseum will vary. Every effort will be made to ensure that one exercise arena is available on a 24-hour basis. Exercise schedules will be available in the Horse Show Office and Information Booth. Paid practices will be offered for Trail, Over Fences, Western Pleasure, Hunter Under Saddle, Cutting and Reining. No longeing will be allowed in the arenas stated above. Longeing areas will be designated and should be closely followed.

Exhibitor Agreement

The condition of submitting entries, or the first entry into the show ring of a horse or exhibitor, will be deemed acceptance of the rules set forth in the current year Premium Book and *APHA Official Rule Book*.

Exhibitor/Horse Combination

The same exhibitor must show the same horse under all the judges in a class, including preliminaries and finals. Any

Horse Show Rules, continued

changes in the exhibitor in between the preliminaries and finals may be made only due to accident or illness of the exhibitor, and with permission of the Show Management.

Exhibitor/Spectator Cooperation

All individuals are requested to cooperate with Show Officials at all times. Any individual who is delinquent in his responsibility in this area may be, along with his horse(s) or exhibit(s), excused from further competition and/or removed from the grounds. That individual will forfeit all previous winnings, entry fee(s) and other fees. See rules SC-070, GR-040.C, GR-060.C, YP-080.L.1.

Failure to Compete

All entries in all events are required to compete under all designated judges of the World Show in order for results to be tabulated in the finals.

Fall of Horse or Rider

In performance classes, the fall of horse or rider while in the arena shall be cause for disqualification in that class. A horse is considered having fallen when he or she is on their side and all four feet are extended in the same direction. Rider is considered to have fallen when he or she is not astride. Exception: see Rule SC-265.I.5 and SC-275.D.7.

Finals

In those classes having a finals competition, horses selected to compete in the finals will be determined by the judges. All horses selected by the judges will be invited to compete in the finals. The same exhibitor that showed the horse in the preliminaries must show the horse in the finals. All exhibitors in the finals competition will be judged on the merit of their performance in that competition.

Health Requirements

No horse will be allowed to show without the following:

- **Health Certificate** – Issued no earlier than October 19, 2012 by a licensed veterinarian from the state of origin and showing positive identification of the horse. This certificate should show the

animal to be free of any communicable or infectious diseases. This certificate should comply with all USDA standards (Exception: Sale horses no earlier than October 28, 2012.)

- **Negative Coggins** (Equine Infectious Anemia) – Dated no earlier than November 17, 2011. See page 2 for Health Check-In Procedures. (Exception: Sale horses no earlier than May 12, 2012)

Make sure the veterinarian uses registered names on the health and Coggins certificates rather than “barn names.” If current Coggins, health papers and the Certificate of Registration are not available, the horse will not be allowed to compete and entry fees will be forfeited. All horses are subject to inspection by the Show Veterinarian or State Veterinarian at any time or if suspected of harboring a communicable disease.

Horse Show Office

The Horse Show Office is located in the Richardson-Bass Building adjacent to the John Justin Arena and will be **open November 6 from 8 a.m. to 5 p.m.** and daily thereafter from one hour prior to the start of the show until the last class enters the arena for judging. These are the only times that exhibitor packets can be picked up, class additions or scratches can be made and horse/exhibitor substitutions can be processed.

Post entries must be made by 5 p.m. the day prior to when the class is scheduled to be held. If horse/exhibitor substitutions are necessary, such changes must be reported to the Horse Show Office in writing prior to the class entering the arena for judging. No exhibitor or horse changes will be accepted at the announcer’s stand or paddock. See Substitution Policy for complete guidelines.

To pick up your exhibitor packet that includes your entry number, you must present the following items at the show office:

1. Photocopy of horse’s original Certificate of Registration.

Horse Show Rules, continued

2. Your current (within 30 days) health certificate dated on or after October 19, 2012.

3. Your current (within 1 year) proof of negative Coggins signed by licensed veterinarian dated on or after November 17, 2011.

Hunter Hack

Only finalists will be required to work the rail.

Inhumane Treatment

The APHA is committed to the humane and proper treatment of all animals. The welfare of the animal is the primary consideration in all activities. Animals will be treated with kindness, respect and compassion at all times. Owners, exhibitors, trainers and all responsible parties must ensure the health and well being of animals in their care at all times including, but not limited to, handling, transportation, training, treatment and stalling.

Per Rule SC-075 of the *Official APHA Rule Book*, no person on show grounds, including but not limited to, barns, stalls, parking area and show arena may treat any animal in an inhumane manner, which includes but is not limited to:

1. Placing an object in a horse's mouth so as to cause undue discomfort or distress;
2. Tying a horse in a manner as to cause undue discomfort or distress in a stall, trailer or when longeing or riding;
3. Letting blood from a horse;
4. Use of inhumane training techniques or methods; poling or striking horse's legs with objects (i.e. tack poles, jump poles, etc.);
5. Use of inhumane equipment, including but not limited to, saw-tooth bits, hock hobbles, tack collars, or tack hackamores;
6. Any item or appliance that restricts the movement or circulation of the tail;
7. Intentional inhumane treatment that causes a horse to bleed;
8. Failure to maintain an appropriate environment for horses' well-being.

The standard by which conduct or treatment will be measured is that which a reasonable person, informed and experienced

in generally accepted animal husbandry standards, equine training and exhibition procedures, would determine to be cruel, abusive and inhumane.

Upon discovery by any show official of inhumane treatment, show management reserves the right to immediately disqualify the horse and exhibitor for the remainder of the show and/or remove them from the grounds and shall immediately report the matter to the APHA for further disciplinary action.

Any person who fails to abide by these rules and/or any animal whose welfare is under question by show management may be removed from the grounds.

Judges

Show management reserves the right to use alternate judges when deemed necessary. Specialty judges may be used for Cutting, Reining, Working Cow Horse, Roping, Over Fences, Slots and Breeders' Futurity classes.

Decisions of the judges are final, and entries will be accepted only on that condition.

Judges Video Reviews

Judges will automatically video review runs in scored classes that lack concurrence when major penalties, disqualifications, zero scores or "no scores" are involved or when a judge requests a review in Showmanship, Hunt Seat Equitation or Horsemanship. Judges will only review the maneuvers where a lack of concurrence exists between the judges and only that penalty score can be changed. Lack of concurrence concerning non-major penalties will not be reviewed and cannot be changed once submitted.

No judge shall be required to change his/her score following a video review. Each judges' decision is an individual call.

Cutting: Cutting classes will be reviewed for lack of concurrence on 3 and 5 point penalties using the NCHA Adjusted Monitor System.

Reining: Reining classes will be reviewed for lack of concurrence on 5 point penalties and scores of 0.

Working Cow Horse: Working Cow Horse classes will be reviewed for lack of

Horse Show Rules, continued

concurrence on 2, 3 and 5 point penalties and scores of 0.

Trail and Western Riding: Trail and Western Riding classes will be reviewed for lack of concurrence on 3 and 5 point penalties and scores of 0.

Lameness/Abuse Clause

Show Management reserves the right to remove an entry from the arena if the majority of judges disqualify a horse due to lameness or abuse. At Show Management's discretion, at the completion of a class or individual work, prior to leaving the arena, the horse shall be asked to perform movements/maneuvers on loose rein or lead to demonstrate soundness.

Exhibition of a horse that is obviously lame as determined by show judges in any class shall be cause for disqualification. See Rule SC-160.P for complete rules regarding lameness.

The exhibition of a horse that has a cut or abrasion, showing clear evidence of fresh blood in the mouth, nose, chin, shoulder, barrel, flank or hip area, must be considered abuse regardless of how the injury was caused.

Membership Requirements

The recorded owner, as well as the exhibitor, MUST be a current member of the American Paint Horse Association to participate in the Youth and/or World Show, including Challenge Series, Sweepstakes, Slots, Breeders' Futurity and all Specialty Classes.

Persons suspended from APHA membership will not be allowed to enter and/or exhibit in the show whether or not the horse is owned in whole or in part, owned by a spouse or owned by a child under 18 years of age in the same household.

Paddock Procedure

Exhibitors must check in with the paddock. The paddock will call exhibitors to enter the arena in their posted order of go. See Working Orders for more details.

Barn calls are a courtesy and will be made for each class and for all exhibitors entered in each class. Regardless of the circumstances, it is the exhibitor's ultimate responsibility to report to their class on time.

Paid Practices/Warm-Ups

Western Pleasure/Hunter Under Saddle Paid Practices: Paid practices for Western Pleasure and Hunter Under Saddle will be offered during the World Show. To be eligible, the horse must be entered in another class at the show. A maximum of 25 entries will be accepted per class on a first-come basis, as determined by postmark. Training aids are allowed, however, inhumane equipment or treatment is prohibited in accordance with APHA rules. All entry fees will benefit the American Paint Horse Foundation. A separate entry form is included in this Premium Book.

Over Fence Paid Warm-Up Classes: Warm-up classes for all over fence classes (except hunter hack) will be offered prior to each class. The entry fee is \$35/class. To enter, complete a class entry form along with all other classes. Special awards will be given to the top 3 placings over-all — all classes combined.

Over Fence/Trail Paid Practices: All trail and over fence classes will include a scheduled practice/schooling time in which all entrants will have the opportunity to school on course. These practices will be monitored. No additional sign-up is required. Schooling fee is included in the class entry fee.

Reining Paid Practices: Paid practices for Reining will be offered to horses entered in the World Show. A maximum of 25 entries will be accepted per class on a first-come basis, as determined by postmark. A separate entry form must be completed. Entry fee is \$25. The practice will be run like an actual class and each horse will be given 5 minutes per run.

Pattern Classes/Splits

Any pattern class (Showmanship, Western Horsemanship and Hunt Seat Equitation) will be held with "splits." Each split will have no more than 22 horses. The highest and lowest placing of each exhibitor will be discarded determining the total combined points. A specific number of exhibitors with the highest total combined points under judges from all splits combined will return to the semi-finals or finals. An equal number of exhibitors will not necessarily be selected from each

Horse Show Rules, continued

split. There will be no less than 15 horses in the finals.

If necessary due to the size of the class, Yearling Longe Line classes will be held in splits of no more than 15 horses at a time.

Classes with less than 30 entries will be completed in their entirety and with no splits in the time slot designated for the preliminaries. No finals will be held.

Classes with 77 or more entries will have semi-finals to determine a minimum of 15 finalists.

The following chart outlines the number of entries selected for the finals based on the total number of entries in the class.

Entries	# Splits	Semi-Finalists/ Finalists
30-44	2	16 to Finals
45-66	3	18 to Finals
67-76	4	20 to Finals
77-86	4	24 to Semi-Finals

Payment Procedures

Payment may be made in the form of personal checks, Visa, MasterCard, American Express, money order or wire transfer. All entries must be made payable to the APHA in U.S. funds drawn on a U.S. bank.

In the event that your check is returned to the APHA due to insufficient funds, we may present your check electronically. If the funds still remain insufficient, certified funds and payment of a returned check charge will be required in order for entries or stall reservations to be processed. If the customer has not paid all charges for returned checks prior to the show, the agent/owner must bring certified funds to the show office for the entries to be processed.

The APHA shall collect funds for entries and/or stalls in which the credit card was declined or in which a check has been returned due to insufficient funds before processing entries or stall reservations. The date at which funds are secured for

declined credit cards or insufficient funds checks will be acknowledged as the date the entries and/or stalls are received and processed. Post entry fees may be assessed to entries for which funds have been declined.

Positive Identification

All horses participating in the World Show will be positively identified using a copy of their original certificate of registration before entering the horse show arena. Horses will not be allowed to enter the class without being positively identified by an APHA representative.

The primary ID Station is located in the Richardson-Bass Building next to the paddock for the John Justin Arena. It is open one hour prior to the beginning of classes in that arena until at least 5 p.m. An additional ID station will be located outside the Watt Arena and Will Rogers Coliseum on the days classes are scheduled in those arenas. These locations will be open one hour before the class start time until 5 p.m. or the last class enters the arena, whichever is earlier. Signs will be posted if there are schedule changes.

A horse is not eligible to participate if its age, as determined by examination of its teeth, does not correspond to the age shown on its registration certificate. The age determination by tooth examination will be made in accordance with the current *Official Guide for Determining the Age of the Horse* as adopted by the American Association of Equine Practitioners.

All horses exhibiting at the World Show are subject to verification of the qualifying area. If the qualifying area is not readily visible, or if it is marginal in size, or changed in size or appearance from the original file photographs, an inspection will be required.

Inspections will be performed by designated APHA representatives. In the event the qualifying area does not meet registration requirements, points, titles, or awards are tentative until additional investigative actions can be completed, up to and including Executive Committee action.

Horse Show Rules, continued

A horse whose potential qualifying area is found to contain an unnatural marking will have its Regular Registry certificate canceled.

The Horse Show Steward, Executive Director or Show Management may, at their discretion, refuse to allow a horse to participate if the registration of the horse appears invalid or otherwise improperly issued.

Do not cut or alter entry numbers. Numbers must be stamped by identifier prior to any lamination.

Posted Class Results

Scores, times or placings in all classes will be posted in designated area.

Placings in preliminaries will not be posted until after the finals.

Preliminaries

Preliminaries will be held in some classes to reduce the number of horses that compete in the final work. No points will be awarded or ribbons presented in these preliminaries. APHA points, as well as the World Champions, will be determined in the final work.

Those classes designated to have preliminaries that have less than 30 entries will be completed in their entirety in the time slot designated to hold the preliminaries. No finals will be held in those classes. Pattern classes (Showmanship, Horsemanship and Equitation) with less than 30 entries will be completed in their entirety and with no splits in the time slot designated for the preliminaries using the preliminary pattern. Once a horse is substituted, the original horse entered may not be shown in any class for the remainder of the show.

Day of Class Horse Substitutions - Regular Classes:

If substitution of a horse is necessary due to a horse's injury or illness after 5 p.m. the day before the class or the day of the class **in the exact same class as the original entry**, horses may be substituted for a one-time \$50 fee and paper-

work must be received in the show office prior to the class entering the arena.

No substitutions will be accepted at the paddock. Substitutions must be submitted with a veterinarian's statement and appropriate fees.

Money Class Horse Substitutions:

Substitution of a horse will be permitted providing the following documentation is received in the horse show office by 5 p.m. on the day before the first class in which a horse is to be substituted. **Substituted horses must be owned by the same person or family and be substituted in the same class(es) only.** To substitute as outlined above, the following needs to be provided:

- Veterinarian's statement that the horse originally entered is unable to compete due to illness or injury.
- Properly completed entry blank listing all required information on the horse that you are substituting.
- Payment of 30 percent of the applicable entry fee (on substitute horse) as a substitution fee.

Day of Class Horse Substitutions - Money Classes:

If substitution of a horse is necessary due to a horse's injury or illness after 5 p.m. the day before the class or the day of the class in the exact same class as the original entry, horses may be substituted for 30 percent of the applicable entry fee and paperwork must be received in the show office prior to the class entering the arena. No substitutions will be accepted at the paddock. Substitutions must be submitted with a veterinarian's statement.

Tabulation for Final Standings/ Preliminaries

Placed Classes: In placed classes that require preliminary rounds, each judge will place up to 11 horses from each preliminary round. The numerical scores for placing will be determined using the following scale:

Horse Show Rules, continued

1st Place—120 Points	9th Place—28 Points
2nd Place—105 Points	10th Place—21 Points
3rd Place—91 Points	11th Place—15 Points
4th Place—78 Points	12th Place—10 Points
5th Place—66 Points	13th Place—6 Points
6th Place—55 Points	14th Place—3 Points
7th Place—45 Points	15th Place—1 Point
8th Place—36 Points	

In preliminary rounds, the highest and lowest placing of each horse will be discarded determining the total combined points. A specific number of horses (as determined by the total number of entries in the class) with the highest total combined points under judges will return to the semi-finals or finals. A minimum of 15 horses will be brought back to the finals. (Exception: Showmanship, Horsemanship, Equitation and Pleasure Driving). If cuts are necessary, there will be a specific number of cuts, taking a specific number of horses out of each cut to result in a minimum of 15 horses returning to the finals. Placings from preliminary rounds or semi-finals will not be considered in determining World Champions.

In the finals, judges will place 15 horses. The top six of the judges' placings will be announced. World Champions will be determined by discarding each horse's highest and lowest placing. The three remaining placings will then be totaled using the accompanying scale. The horse earning the highest number of points will become the World Champion, second-highest will be Reserve World Champion, etc.

Scored Classes: Scored classes include Reining, Working Cow Horse and Cutting. The judges will score all horses.

In preliminary rounds, the highest and lowest score of each horse will be discarded determining the total combined score. A minimum of 15 horses— from each preliminary round— with the highest total combined points under judges will determine the entries for the semi-finals or finals. Scores from preliminary rounds or semi-finals will not be considered in deter-

mining Open/Amateur World Champions.

In the finals, judges will place 15 horses. Each of the judges' placings will be announced through sixth place. Open/Amateur World Champions will be determined by discarding each horse's highest and lowest score (a "no score" is considered a low score). The three remaining scores will then be totaled. The horse earning the highest combined score will become World Champion, second highest will be Reserve World Champion, etc.

Pattern Classes/Splits: Any pattern class (Showmanship, Western Horsemanship and Hunt Seat Equitation) will be held with "splits". Each split will have no more than 22 horses per split. The highest and lowest placing of each exhibitor will be discarded determining the total combined points. A specific number of exhibitors with the highest total combined points under judges from all splits combined will return to the semi-finals or finals. An equal number of exhibitors will not necessarily be selected from each split. There will be no less than 15 horses in the finals.

If necessary due to the size of the class, Yearling Longe Line classes will be held in splits of no more than 15 horses at a time.

Classes with less than 30 entries will be completed in their entirety and with no splits in the time slot designated for the preliminaries. No finals will be held. Preliminary pattern will be used in this instance.

Classes with 77 or more entries will have semi-finals to determine a minimum of 15 finalists.

The following chart outlines the number of entries selected for the finals based on the total number of entries in the class.

Entries	# Splits	Semi-Finalists/ Finalists
30-44	2	16 to Finals
45-66	3	18 to Finals
67-76	4	20 to Finals
77-86	4	24 to Semi-Finals
87-110	5	25 to Semi-Finals
111-120	6	30 to Semi-Finals

Please advise the Horse Show Office if you plan to withdraw from a class.

Extension Cord Requirements

If extension cords are used at the horse show facility, Ground Fault Interrupter Protection (GFCI) is required. These cords are easily recognized as there is a test and a reset button on the cord. Most of these cords have the words "GFCI protected"

printed on the cord. All 120-volt extension must be three-wire grounding-type cords (recognized by the three-prong plug on the end of the cord). Frayed or damaged cords may not be used. Extension cords may not be installed through doors.

These requirements help eliminate harmful or fatal electrical hazards to you or your animals. City staff, including Fire Inspectors and Electrical Inspectors, will check the premises periodically for compliance.

Golf Cars

A valid driver's license is required to operate a golf car or motorized scooter. All traffic rules must be followed. No one under the age of 16 is allowed to drive a golf car.

No smoking is allowed in any building on the Horse Show Facility. Smoking is allowed only outdoors.

Paid Parking Facility

As of May 1, 2010, the Will Rogers Memorial Center is a paid parking facility. All vehicles and trailers on the Will Rogers property will be required to pay to park in all facility lots. For more information and to purchase WRMC parking passes, please visit

- There are 5 amps of power available to every stall in the Richardson-Bass and Burnett Buildings. This will basically accommodate one box fan. Multi-plug devices will not be allowed (i.e. plug strip). Only one cord may be plugged into each single outlet. Only extension cords with appropriate GFCI protection will be allowed. Extension cords and power strips may not be used to operate multiple appliances simultaneously.
- No small air conditioners, heaters, or margarita machines are allowed in the stalling areas. We have limited electrical use; we must provide power to all exhibitors for fan use. If a small air conditioner or heater is reported, it will be turned off immediately and the owner will be asked to remove it.
- Post hydrants are available for exhibitor use at the end of each row of stalls. These may not be left on indefinitely. They must be turned off after each use. They may not be connected to portable water-cooled fans, misting systems, etc., which require a continuous water supply.

Recreational Vehicle Hookups

Limited space is available and must be reserved in advance, beginning September 10, 2012. See reservation form or call Julie Haney at the APHA office at (817) 222-6404. After November 1, 2012 call **(817) 487-6066**.

Stall Decorations

Please limit the end-of-aisle decorations to 42 inches deep and allow at least a 7-foot height clearance over aisles for equipment. WRMC asks that a covering, such as plastic, be placed underneath any groundcover or plants. Decorations must be attached using temporary setups, such as wire or plastic ties, and removed prior to moveout. The following may NOT be used: nails, liquid nail, bolts, screws, rubber cement, etc. Any damage to stalls will be the financial responsibility of the owner/exhibitor/trainer. Any fabric or paper used or draped on stalls must be fire-resistant or treated with fire retardant.

Video Equipment

Only portable battery-pack, self-contained cameras are permitted. They may film only in areas where the view of spectators is not obstructed. No video of events or individuals may be contracted for sale other than through the official video personnel under contract with the Show Management.
